No-Stars coach thanks team after great season

To the Editor,

I wish to give a special thanks to all the players of the Rockwood No-Stars for a very successful season.

Thanks also goes to my assistant, Bonnie Hamilton, for all her help and dedication, and

to my team reps, Laurie Leighton and Lori Savage, for their hard work throughout the year and for keeping us informed on all league matters.

Finally, many thanks to our faithful fans and family members who cheered us on from the stands all year.

Have a great winter and I hope to see you all next season.

No retirements, right "Anna!!"

*Dot Polo, Coach

Some tips on a satisfying retirement

Special to The Rockwood Miller
• Think of retirement as a new lifestyle, not the end of the road. Strengthen relations with people close to you.

• Be adventurous and try new activities. Develop your sense of humour and learn how to laugh at muddled situations.

• Give your health top priority. Take pride in who and what you are now. Don't lament the things you used to be or might have been.

These tips and more can be found in the booklet "Retirement Planning Made Simple."

Drop by our Resource Centre, 126 Main St. S., Rockwood and pick up your free copy. This package is a list of benefits or services that you may be eligible for upon retirement or reaching the age of 65. An explanation of how to access each service is included.

UPPER FLOOR PLAN 1185 SQ. FT.

Stylish family home suits corner lot

A fashionable stucco and brick exterior with feature windows and a dramatic high arched entranceway, two storeys high, is an elegant addition to the streetscape.

Enter into a spacious foyer, open to the second storey and brightened by a palladian feature window overhead. An open plan for the living and dining room creates a spacious atmosphere for entertaining and features a vaulted ceiling and a boxed out palladian window in the living room area. The kitchen boasts an efficient working layout with plenty of cupboard and counter space and an open counter which services the nook and family room. The den, set apart from the main traffic areas and just inside the front entrance, would make an ideal home office.

Upstairs, a spacious front bedroom with its own ensuite could be used as a guest room or granny suite. The master bedroom features a boxed out window seat

and a four piece ensuite with an oversized shower and a raised soaker tub.

An unfinished basement awaits your own creative touch.
