

A TOAST! Teacher Barb Spiak joins with students Shannon Harkley, left, and Edyn Marshall on Friday to celebrate St. Joseph's new status as a 'Green School.' The status was granted after students completed 1,000 environmentally-conscious school projects. (Doug Harrison photo)

St. Joe's now 'Green'

ST. JOSEPH'S NEWS

BY ELLEN McGRATH & AMBER VALENTE

Last Friday St. Joseph's School celebrated our newly-attained Green School Status with an assembly in the gym. The Board director, chairperson and superintendent, as well as our local MPP and town officials, were present at this celebration.

Special thanks go out to Ms. Barb Spiak, who introduced the Green School Program back in September of 1993 and who organized this special event.

Also on Friday the entire school visited the Acton Fall Fair during the afternoon. All the students enjoyed the day and the exhibits. Special thanks to the Acton Agricultural Society for the refreshments.

Legion hosts Karaoke Sat. night

LEGION NEWS

BY JOYCE BUCHANAN
Branch 197 P.R.O.

I guess the cooler weather is bringing in the bridge players. They had three tables and the winners were Merle Kirkness, Dot Norton and Lil Cook.

On Thursday, euchre had 16½ tables. First place was Dorothy Jordan; second, June Leonard and Mamie Dick; third, Bruce Smith; fourth, Ukie Zajak. Hidden score was Jim Milne.

Saturday's Meat Draw Early Bird winners were Barry Inscoc and McRae. Regular draw winners were Flo Hannon, Dave Garbutt (2), Sandra O'Donnell, Marilyn Dryden, Jim McNabb, Al Kent, John McConnell, Tony Rouse, Phyllis Winters, and Ken Papillon (2). Large prize winner was G. O'Donnell.

We had a busy, busy weekend and everyone was tired after the Fair. Hope you all had a good time and met a lot of friends.

Many thanks to those who participated in the Parade — it is a long road especially when you go way out to the Curling Club to form up. A big thank you to Ted Tyler for the shuttle bus service this weekend.

Don't forget Sept. 24 is Karaoke Night. Come on out and have some fun!

Have you signed up for Crib yet? You still have lots of time to sign up for Darts. Men's Draw

Doubles are Sept. 20 and Men's Darts start Sept. 21.
League starts Sept. 27. Ladies See you at the Branch!

ONTARIO ELECTRICAL WEEK

Oct 17 - 23, 1994

Your local electric utility:

You
have a
voice

We all take the wonder of electricity for granted, confident that it will always be there at the flick of a switch. And it is — except when an event like a major storm occurs and we live without power for a short time. Electricity makes our lifestyles and activities possible; it's an essential ingredient in our society.

In Ontario, electricity is generated by Ontario Hydro. It is then purchased and distributed to you by your local utility.

We are pleased to provide you with this clean and efficient source of energy, and are proud to play our part in "powering" the community's economy by providing energy for our homes, farms, factories, businesses, hospitals and schools.

In Ontario, electrical power is public power.

Municipal electric utilities are
not-for-profit, community-owned
and locally controlled.

As a community-owned utility,
we take customer service seriously.

We're there to get the system up and running again as soon as possible when a power interruption occurs. And we want to help you save money on your electricity bills by teaching you how to conserve energy.

Decisions about the running of your utility are made by elected commissioners. Staff of the utility then carry out the direction set by the commission.

If you would like more information on the role and responsibilities of electric utility commissioners, please contact us.

Volunteer sought by food bank

Acton FoodShare is looking for a new volunteer co-ordinator.

The non-profit food bank, which operates without government aid, needs someone, preferably with a car, to run its daily operations.

Joan Waldie, past co-ordinator for the registered charity, will train and support the new candidate.

If interested, readers can call FoodShare (853-0457) for more information. Or, leave a message with Joyce at 853-0646.
