## AMHA SABRES 'TEAM OF THE WEEK'

The Acton Galvcast Pee wee 1 Sabres have posted a 6-0 record, including a 15-3 drubbing of **Oakville**, to start the season.

"Our team philosophy is win or lose, we will give it our best effort in every game," says coach Bob Dube. "We have a dedicated coaching staff, who is teaching the kids team work — passing, good positional play and helping each other on the ice."

Dube's assistants are **Kevin Weatherall** and **Mike Wolfer**. Both gentlemen have been involved in coaching in Acton for many years.

As well, the Sabres have welcomed **Jeff Green** to work with

the team's goalies, **Craig Foster** and **Thomas Wolfer**. Green has worked in a similar capacity with the Orangeville Jr. B squad. And **Paul Crane** has been working with the Galvcast defence corps.

"As a team we are going to get better," Dube predicts, "so if you

figure we're 6-0 now ..."

Dube points to a matchup with **Oakville** two weeks ago in which the locals prevailed 6-4.

"We worked with the boys on ways to improve their play and the result was coming back and winning 15-3," he says. "It's easier, too, when the boys are eager to learn."

Following is a list of the remaining Galvcast players: **Scott Monaghan**, **Matt Schrock**, **Matt Bodin**, **Marcel Dube**, **Jason Christopher**, **Jeff Newman**, **Kyle Artem**, **Chris Lee**, **Shawn Weatherall**, **Paul Withers**, **Ron McCaslin**, **Marc Forbes** and **Mike Hills**.
