You only have till next Wednesday to be an early bird.

Branch 197 Sports Officer was presented with an appreciation plaque from the Rookie Hardball players after they became Central Division Champs. Congrats boys, and gook luck again next year.

Remember, Dec. 10 is our Turkey Roll. Start time will be 1:30

pm. Next Tuesday is the Senior's dinner, beginning at 6:30 pm. Tickets are \$2, refundable at the door.

We've set Sunday, Dec. 18 for the children's Christmas party. Check the bulletin board, or with Sharron Barker, for the list of children's names.

District B Curling Tournament will be held Dec. 3 and 4 at Acton's Curling Club, hosted by Branch 197.

Saturday saw a lot of visitors at the Branch, many from out of town. I don't know if it was the good weather or the parade, but it was good to see them.

As we enter the Christmas party season, there's lots of work to do. See you at the Branch.

Lower numbers, but ladies will carry on

LAKESIDE IODE NEWS

BY DOT NORTON

There were 18 women who braved the rain to attend November's meeting of IODE.

The reports were read and approved and cheques for the High School commencement have been delivered. The other school will receive its cheque shortly. Rene Watson presented plaques at the High School recently.

Our classroom in Makovick is doing fine and their athletes even better. They have very interesting drama groups at the school as well.

Christmas Hamper sorting and packing is coming up, on Dec. 21, and volunteers will be needed to help. Mark your calendars ladies. Joyce will inform us of a time at the December meeting.

As always, Jess Coles, our citizenship lady, comes in with things of great interest to one and all. At

Remembrance Day, we all remembered things that were important to us during war times.

Jess remembered food rationing and coupons. She remembered how sugar was rationed, but since her father had a sweet tooth, she'd give him her share.

We remembered Mr. Barr, the grocer, and how he'd include things "for the boys" in folks' grocery orders.

Beardmore, WoolCombing, and Blow Press all did more than their share to help the war effort.

Our executive for 1995 is complete and although our numbers have dwindled, we will make a great effort to carry on.

There will be no Christmas party this year — no one could decide where or when.

Our next meeting will be Dec. 6 at 7:30 pm at Knox Church. Please bring your gifts for the Women's Place. All are welcome.
