ROBERT LITTLE NEWS

BY ANDREA DINGWALL & MEGHAN COLVIN

We would like to congratulate our school and thank the community because we raised \$692 for UNICEF.

This week we have some information to share about another new teacher, Mrs. Clevely. Mrs. Clevely was born in England. Last year she taught at J.M. Denyes. She picked Robert Little because

she likes the drive to Acton and she cares a lot about children. She has two sons and her hobbies are skating, travelling and reading.

Robert Little School is having a book fair. The dates are today (Wednesday) after school till 6 pm, tomorrow from 8:30 am to 8 pm, and Friday from 8:30 am till 3:30 pm. There is something for everyone!

Last Wednesday we had a kick-off assembly for the beginning of a school-wide activity called

"Spaceship Earth." We thought we were entering the gym, but when the lights went out we were in outer space. Then we watched two videos about what's happening to our earth and what will happen if we stop recycling. We will be doing some activities about saving earth.

Thank you to Mrs. Nodwell, Mr. Bell and Mr. Dorscht for introducing Spaceship Earth and making us curious to see what we can learn about our earth.
