

Eramosa Block Parents extending a welcome

The Eramosa Block Parent Program has been operating in Eramosa Township for many years to help keep local children safe.

The Block Parents always welcome more families to participate, to extend coverage of the whole community.

Many families are Block Parent homes in Eden Mills and Rockwood, however more homes are needed in Everton and on the county sideroads where a home sits close to the road.

In addition, the Block Parent executive is interested in new members. If you are interested in joining as a new Block Parent family call Sharon at 856-2060 or Verna at 856-4842.

Thanks to residents, business, agencies

To the Editor,

The undersigned wishes to publicly thank the people and the businesses of the village of Rockwood for their kindness and support to me and my family during my long illness.

The store owners and staff have given exceptional service — even delivering goods after I could no longer visit them.

The days of individualized service are not a lost art in this village.

Also, staff of the Municipal and Village offices have outdone themselves to be of service. Everyone has indeed been very helpful, much beyond expectations.

This community can be proud of them all!

Ditto!

To the Editor,

Let me also add my appreciation to the above-mentioned agencies. Everyone has indeed been very helpful — much beyond expectations.

Student say 'cheese' at photo day

CENTENNIAL NEWS

BY JESSIE DAVIS, HEATHER HOLYOAKE & CRYSTAL STUCKLESS

This week, some Grade 5 students from Brock Road School stopped here to eat their lunches on their way back from a hike at the Conservation Area. They enjoyed the beautiful scenery along the trails.

Our intermediate boys' and girls' volleyball teams travelled to Willow Road School last Tuesday to play some exhibition games. Rockwood girls won three out of five games. The boys won three games and lost three. Two of our volleyball players, Candice Timbers and Bevin Lyon, said that Willow Road's teams were good, but Rockwood did very well.

School photos were taken last week. We hope the pictures turn out well and that everyone remembered to smile! Class pictures will be taken later in the year.

Last Friday was a P.D. day. Teachers were busy at workshops and had an in-service about the common curriculum. Mrs. Gregg, our Vice-principal, gave a workshop to the intermediate teachers about journal writing.

We had a chance to interview the new French teacher, Mr. Dunbar. Mr. Dunbar teaches five classes here, Grades 1, 3, 4 and 6. Originally from Hamilton, he graduated from York and has been teaching since 1989. He has taught at least 5,000 students.

He likes to teach elementary students and says if you don't feel good about yourself, you won't feel good about your work. He tries to teach the students respect — for themselves, for others and for the school. Mr. Dunbar chose this school to work at because he loves the kids and the staff. He likes to sing and help with choirs. He also coaches soccer, baseball and floor hockey.
