

## Senior Redmen v-ballers' season officially over

When they're at their best, the Senior Redmen Boys' volleyball squad would be on-par with Hillfield-Strathallen, the 1994 Hamilton-Wentworth high school champions, says their coach.

However, the locals haven't been at their best since Oct. 27, when they proved to be the toughest defensive unit to face the Georgetown Rebels all season.

The emotional drain of that late-season heartbreaking defeat coupled with a two-week layoff seemed to keep the Redmen off balance last Wednesday when they were beaten two straight (8-15, 4-15) at Hillfield.

The game determined who would be the Golden Horseshoe Athletic Conference representative

in the A-Division at the Ontario Federation of Schools Athletic Association championships this weekend in Hamilton.

"We didn't play as well as we could have," Redmen coach Bruce Andrews understated on Thursday. "We played about 40 to 50 per cent our best. The guys were nervous and didn't move around."

While the Redmen were staked to an early four-point lead to open Game 1, they beat themselves with poor serves, some of which were shot into the net.

"They weren't much better than us," argued Andrews. "A couple of their guys could hit, but I knew in the last game we weren't playing well, because we tightened up our play."
