**SPIRIT OF
CHRISTMAS**

*Can you feel the spirit of
Christmas*

As it slowly enters your heart

Can you feel the warmth and

love it brings

As the Christmas Season starts

*Does it rise up slowly from
within*

*From the place where love has
been sown*

*Does it fill your soul with
gladness*

Till only love is shown

Do you suddenly bubble with joy

With feelings happy and free

Does excitement fill your heart

As your life responds with glee

*Do the songs of Christmas
present and past*

Sound joyfully from your heart

Are you filled with deep emotion

For the message they impart

And in your quiet moments

Does peace permeate your being

As you quietly contemplate

Your life has been given new

meaning

I feel the Spirit of Christmas

And I know what I want to say

May the Prince of Peace who

was born for us

Bring love and joy, in your heart,

to stay.
