

# Never too old to learn piano

Are you interested in learning how to play the piano but not sure about investing a lot of time or money?

*Pop Piano* is a three-hour workshop for adults of all ages with little formal training in music.

This beginner's course in chord

piano techniques will have you playing all of your favourite songs with both hands after only one session.

The workshop takes place at Acton High on Thursday, Feb. 23, from 7 to 10 pm. It is open to adults

only (over 16 years) and the fee is \$20 per person.

For registration info call the Town of Halton Hills' Recreation Hotline at 873-2600 (ext. 275).

And remember - you're never too old to learn to play piano!
