Special to The Rockwood Miller
R.J. Beatty Financial Corp. has announced the opening of their latest branch office in Rockwood at 155 Main St. S.

The firm is a full-service investment brokerage offering personal investment advice in stocks, bonds, limited partnerships and a variety of mutual funds.

Branch Manager Walt Boduch says that everyone is entitled to personal, professional investment advice regardless of how much money one has to invest.

"The point is that most people settle for little or no service and advice because they think their investment account is not large enough," contends Boduch.

"My focus is on offering qual-

ity advice and individual attention to all investors, large and small."

Boduch says that investors can open an account with as little as \$50 per month, and he is offering a no-fee self-directed RRSP account for new clients and RRSP transfers, for a limited time.

Rockwood and area residents are invited to visit the new office or to call 856-2617 to talk with Walt.
