HOMEPLAN OF THE WEEK!

Stately two storey

This contemporary family home boasts many popular design features, and at only 37'0" wide, will fit on a variety of building lots.
 Enter into a foyer, open to the second storey and brightened by an overhead skylight. Decorative columns create a subtle but elegant division between the living and dining room. A vaulted ceiling and arched feature window in the living room add a stylish touch. An open plan for the kitchen and family room provides a spacious atmosphere for informal gatherings. The kitchen features an efficient U-shaped work area, a pantry, and a work island with a built-in breakfast bar. The family room offers a cosy gas fireplace.
 A curved staircase leads up to the bedroom area and games room. The games room is a good size, and features a vaulted ceiling and boxed out window seat.

The master has a large walk-in closet, a five piece ensuite with a raised soaker tub, and a gas fireplace. An unfinished basement awaits your own creative touch.
 Plans for U-906 may be obtained for \$495 for a package of five complete sets of working prints and \$45 for each additional set of the same plan. Allow \$15 extra to cover the cost of postage and handling (Canadian residents add 7 per cent GST to plan total plus postage and handling.)
 This is one of our new designs. Many innovative plans are now available in our home plan catalogue for \$13.85 including postage, handling and 7 per cent GST.

'Green Day' for Eramosa students

Students at Eramosa Public School soon will be taking part in a number of activities designed to increase their awareness and appreciation of the natural environment.

On Friday, April 21 presentations will be made by the Grand River Conservation Authority on fish, and Larry Chapman will discuss bees and beekeeping.

Steve Marks from Herp House is bringing a collection of reptiles and amphibians to the rural Rockwood school. Also, students will be shown several birds of prey brought in from the Wild Bird Sanctuary at the University of Guelph.

The special day was made possible with a \$525 donation from the Fergus Canada Trust, out of their Environmental Green Fund.
