Thanks, volunteers

To the Editor,

This is Volunteer Week, a time to recognize the dedicated volunteers who make Wellington County a better place to live.

Being a volunteer is a choice made by a special individual who wants to help better his/her community. Volunteers are dedicated and committed people who give of their time and talents to enhance the lives of others.

The Victoria Order of Nurses (VON) truly depends on and ap-

preciates the support and generous donations of time volunteers give to the organization. Volunteers provide a dimension of caring and support that just wouldn't otherwise be there.

At VON, volunteers are active as visitors, in the footcare clinic, in the office, at the Alzheimer day program, on the promotional team, in fund-raising, and of course, they sit as dedicated Board members.

So this week, take the time to recognize the great gifts provided to us, the residents of Wellington County, by our caring and dedicated volunteers. To all our volunteers, we salute you!

For your volunteer opportunity at VON, call Connie, Lisa or Anne at 822-5081.

Volleyballers move outside

This Friday night at 8:30 pm will mark the final evening of this season's indoor adult-teen volleyball at Rockwood Centennial.

With the spirited success of this series, an outdoor season of adult-teen (or family?) volleyball and soccer appears imminent. With summer holiday schedules though, organizers will need a few more bodies.

If soccer or volleyball with friends and neighbours sparks your interest, call Lev at 856-9719.

Police seek witnesses

Guelph OPP are asking for help in connection with a serious car accident east of the Conservation Area.

On Monday afternoon at about 4:35 Douglas Grieve, 34, of Guelph was seriously injured when his '85 Buick left the road and struck a tree while travelling north-bound on County Road 44 just south of Hwy. 7.

Police say that Grieve failed to

negotiate a bend in the road. The area is well-known to Rockwood area residents for its sharp turns.

Const. Charlie Hunter reported yesterday (Tuesday) that the Rockwood Fire Department was called to the accident scene to assist in the extrication of Grieve from his vehicle.

Any witnesses are asked to contact the OPP at 822-7250.
