

M-S students meet Jays' hurler Hentgen at Dome

McKENZIE-SMITH NEWS

BY AMY YEATMAN & CHLOE SAVAGE

This week our French immersion students went to Toronto and visited the Skydome, CBC, City TV and the Hockey Hall of Fame.

All the students really enjoyed this trip. When we returned we had to list the three most exciting features of the trip.

Most students thought meeting Blue Jays pitcher Pat Hentgen and being on the Skydome turf was pretty exciting!

Oz sweat shirts are available to all cast members, thanks to Mrs.

Trotter. Shamus McGuire drew the design on the shirt. The sweat shirts will remind us all of the fun we had working on *Oz*.

Our boys' volleyball team came in second at the Halton Championships last Thursday. Congratulations boys! And thanks to Michael Hills and Andy Kilmer for their help with coaching.

Our school is starting track and field, with sprints, high jump, long jump and all the track events. Sign-ups were last Friday after school for sprint/dash runners. Well done, and good luck to those who still wish to try out.

Two thumbs up for M-S!

Reporting 'not so easy, not so hard'

ROBERT LITTLE NEWS

BY ANDREA DINGWALL & AIDEN STANLEY

This week we will tell you about being a *Tanner* reporter. Being a reporter isn't all that easy, but it isn't all that hard either.

One thing that isn't easy is going to interview people and thinking of a question to ask. We figured out a solution to this problem: write down the questions you are going to ask on a piece of paper before you go to the interview.

If you are reporting each week, it is fun to save it so you can see the changes in each report.

Last Thursday our school held a spring Open House. The evening began with the children and their families visiting the classrooms to look at the children's work and the many beautiful displays.

In the front foyer, guests were asked to do a computer survey before they went to the library. Inside, a group of students from different grade levels demonstrated their computer skills using a variety of programs.

At 7:30, the primary and junior choirs gave their last performance of the year. Kindergarten and Grade 1 students blended together to sing and act out two songs they had composed about their Space-

ship Earth theme of "How to Care for New Life."

The audience enjoyed a great performance. Thanks very much to all who made our Open House such a success!

Dunne, Ford are winners

LEGION LADIES NEWS

BY OLIVE ELLERBY

We had 18 members at the May meeting of the Legion Ladies Auxiliary.

Branch president Gus Jeffrey, and vice president and liaison Frank Keon, conducted the election of officers for the coming year. A complete list will be available following the June meeting. Several very important appointments are still to be made.

Decoration Day will be Sunday, June 4. On this day, red geraniums will be planted in memory of past Legion members, Branch and auxiliary. Flowers will continue to bloom throughout the summer, adding to the beauty of the

cemetery.

On the same afternoon, the Legion will be open until 6 pm for a small function.

Sick/Sunshine convenor Lily Higgins conducted a lucky draw. Everyone had the opportunity to win a floral bouquet compliments of Blue Spring Flower Shop, in appreciation of our business. Gloria Dunne was the lucky lady. Happy Mother's Day Gloria!

Another winner, this time of our 50/50 draw, was Joan Ford.

The 50th anniversary committee is busy firming up the plans for our celebration in September.

Come out to our June meeting. It will be a pot luck supper at 6:30 pm, followed by business proceedings at 8 pm.
