

Sneakers! Sneakers!

M.Z. BENNETT NEWS

BY DAWN STEVENSON & CHRIS SCHILLER

Last Friday was our Sneaker Day. Our students wore their wildest and wackiest sneakers all day long! They were out of this world.

Mr. Fisher's students described the sneakers as colourful, cool, funny, decorative, creative, artistic and imaginative.

And speaking of "out of this world," the whole school is doing a unit on Space.

The school is still collecting pop can pull tabs — think of us next time you empty a can. The money we get from recycling will

be put to a good cause!

The "Earth Academy" presented a program on *Reduce, reuse, recycle*. It is an everyday practice at M.Z. Bennett.

Environmental awareness tends to be a topic of discussion and concern to each of us.

Haley Ellis, Shane Stewart and Kimberly Freeland went to the Young Authors Conference last Wednesday. They said that they had lots of fun going to different centres all day!

A total of 87 students, three or four from each Halton school, explored two of the many activities.

June 6 is our bicycle rodeo. It will be lots of fun for everyone!

ROBERT LITTLE NEWS

BY ANDREA DINGWALL & AIDEN STANLEY

Last week, five people from Robert Little went to a Young Authors Conference at Blue Springs. The Young Authors Conference is a place some students go to learn how to write stories using different methods.

One method is to use your body to show feeling, and something that has or will happen such as mime or tableau. Another way is to do art and illustrate the story.

If you are going to tell a story

to somebody, movements that go along with the story are a good way to do it. They are especially good if the story repeats because you can get the audience doing the actions with you.

The Robert Little Carnival was a BIG BLAST! Our No. 1 thing at the carnival was the draw. The games and toys were donated by local businesses.

Thanks to all those businesses — we appreciate your kindness. Also thanks to the parents who helped with the set up and stayed at the game stands to tend them.

McGilloway wins poster contest

ST. JOSEPH'S NEWS

BY STEFANIE VIDIC & MICHELLE SMYTH

Our school has calmed down after a terrific performance by students for Grade 4 through Grade 8, *A Tribute to Broadway*.

Our school is well on its way to earning Emerald school status in our concern for the environment. We only need 63 more projects to complete this status.

Since we are an environmentally friendly school, our French classes are learning recycling.

The Senior Kindergarten is learning the alphabet. They're all the way up to "R." They hope to reach "Z" by the end of the present school year.

Our very own Cara McGilloway, a Grade 6 student, has won the World Vision Canada Poster Contest. Congratulations Cara!
