Mental health car wash Sat.

Summer Mental Health fund-raisers kick off Saturday, June 3, with an event at Acton Auto Tech. The Main Street service station will host a barbecue and car wash between 8:30 am and 1 pm. The car wash costs \$3, while you can get a hot dog and a drink for \$1. Money raised goes toward the Oasis program, which offers social activity to local adults with mental health disabilities.

SUMMER JOBS! Acton Support Services community support worker Cathy Gerrow, middle, is flanked by summer employment officers Andrea Whiting, left, and Janet Scida. A binder is available at ASSIC listing various summer jobs such as general labour, fast food, clerical and child care for students. The office is open from 8:30 am to 4:30 pm Monday through Friday. Rockwood group plans wine tour

Two award winning wineries, Cave Springs and Inniskillen at Niagara-on-the-Lake, are featured on the second annual REBA (Rockwood Eramosa Business Association) wine tour on June 3.

The tour coach leaves Rockmosa at 8:45 am and returns between 6 and 7 pm. Tickets are \$30 and any community member is welcome to join the group. The day's itinerary includes a

tour and tasting at Cave Springs and Inniskillen with the opportunity to browse and purchase wine at their retail boutiques. Non-alcoholic wines are also available.

Participants will be able to lunch on their own in Niagara-on-the-Lake. There will also be time to visit charming boutiques in this historic community.

REBA's Ralph MacDonald says that last year's tour was enjoyed by those who attended. He expects this year to be even better.

Proceeds will support the Info Centre which opened last summer at 126 Main St. N. in Rockwood.

Tickets may be purchased at the info centre (856-2120) or from REBA members Ralph MacDonald (856-9958), Anne Snell (856-9110), Peter Celmins (856-9937), David Scott (856-2537) or Harold Harder (853-0185).

Its good looks aren't everything

Don't judge this lawn tractor by its hood cover. Because underneath the LX172 lies a powerful, 14-hp engine. And within easy reach is an in-line, 5-speed gear transmission. But what's really attractive is its price. And isn't that what really counts?
