

Take a tour of the Credit River

Credit Valley Conservation is offering a tour of the Credit River from top to bottom on Saturday, June 10, from 9:30 am to 4 pm. Tours depart from the main parking lot at Lakefront Promenade Park in the south and from the Orangeville Reservoir Conservation Area in the north.

"Residents can join interpreters on an interesting tour of the Credit River," says community relations director Robert Peace. "Stopping at conservation areas, historic and geographic points of interest, people will learn about and enjoy the

beauty of the Credit River watershed."

"We're trying to make an affordable day trip for our watershed residents," adds CVC general manager Vicki Barron. "Exposing people to the great natural resources in the watershed really increases appreciation for them in the long run."

Cost, which includes bus transportation and all admissions, is \$10 for adults and \$5 for students and seniors. Bring your own bag lunch or picnic.

Space is limited so reserve your spot by phoning 905-670-1615, ext. 240.

Eramosa churches to host square dance

The churches of Eramosa are once again holding a square dance evening, Friday night (June 2) from 8:30 to 10 pm.

Young and old, beginners and experienced square dancers are welcome as Doug Lawson and the Nobleton fiddlers will be leading the event at the Rockmosa Community Centre.

Tickets are \$5 each and are available at the door or from Rockwood Musicland, Out to Lunch, or at any of the churches in the Rockwood-Eden Mills area.

Proceeds from the evening will be donated to the Acton Food-Share food bank.
