## Nassagaweya Fair this weekend

Summer officially begins in Nassagaweya with the annual Community Fair at Brookville school.

The theme of this year's fair on Saturday, June 3 is *Fun in the Sun*.

Events kick off with a 1km or 5km Fun Run at 9 am. Other activities begin at the school grounds at 10 am and run until 3 pm. Admission is free and activities will appeal to all family members.

The goal of the fair is to provide an inexpensive fun day for families and the community, featuring

games and crafts, free entertainment and a giant prize draw. Proceeds from last year's fair purchased science and technology kits for the school's primary grades.

The Nassagaweya Community Fair is sponsored by the Nassagaweya Community School Association in conjunction with the Town of Milton. In the rural area, this event offers a great way to meet new neighbours and renew old friendships.

## Police ask for help in car thefts

Investigators believe the thefts of a van from Acton and a car from rural Milton have something in common - the same thief.

Late in the evening of May 12, a blue Ford Aerostar van was stolen from a driveway on Poplar Avenue in Acton. It was found several hours later, abandoned on Sideroad 10 near Guelph Line, by a patrol officer on the way to take a report of a stolen car a short distance further along the street.

The car stolen from Milton was a green Saab 9000. It too was taken from the driveway of its owner, and was recovered in Acton.

It would appear the Saab replaced the Aerostar for the return trip.

Do you know who the car thief was? If you think you may know, Crime Stoppers would appreciate hearing from you.

If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000. You need not give your name.

Please call Crime Stoppers at 1-800-668-5151.

Crime Stoppers of Halton is operated by a board of directors made up of 18 volunteer civilians from all areas of the region.

## 'Vehicle' stamps unveiled

Six new commemorative stamps were unveiled celebrating Canadian "Vehicles: Farm and Frontier" at the Ontario Agricultural Museum in Milton on Sunday.

The unveiling was part of opening day ceremonies at the popular

rural museum.

These new stamps mark the third set issued in Canada Post's four-year Historic Land Vehicles series. The set was designed by Toronto designers Tiit Telmet, Joseph Gault and Cameron Wykes.

Make your Wedding invitations count on the outside as much as the inside!

Our Parents Say...

Dear Edwina:  
Congratulations on opening your third childcare centre. (It help fill spaces! These are snuff!)  
Peter & Jonathan will not be attending the after school program after Friday, April 28. We would like to have them at Roslyn, during Roslyn, will be attending as per usual.  
Lorraine and I want to thank you and all your staff who have played a part in the nurturing of Peter and Jonathan for these many years. I remember it all started in January of 1986 going to stay with him all day at Safe and Sound. He quickly found out that it was an exciting place to be and both boys have learned so much by being a part of Safe and Sound. We feel that it was and still is the best investment we ever made.  
We also want to thank you and all staff for your kindness, patience and all the little extras you have provided over the years. (Peter got his first lesson on government from you and the precious memories that we have from Christmas concerts, graduations and other special events.)  
We wish you all the best in continuing to provide Milton and area with the quality service that you give our children and our community.  
Sincerely,  
Garry, Lorraine, Peter, Jonathan Schultz
