## RAMS LACROSSE

### PEEWEE

The McIntyre Fuels Peewee Rams made up for a shaky start to the 1995 lacrosse season with two much-needed victories.

They came home from Brantford last Wednesday with a 7-4 win.

The 3-2 Rams jumped ahead 2-0 on goals by Steve Atkinson and Michael McDonald early in the first period.

Registering helpers were David Lyons, Adam Lindsay and Michel Dube.

Brantford, though, quickly got the equalizer before Wolfer scored from Jaston McGuire and Ryan Weatherall.

Lindsay restored the two-goal Rams lead, assisted by Dube in the late stages of the middle frame.

Up 4-3, the Rams got two goals inside a minute from Lindsay and McGuire for a 6-3 bulge.

Jon Newby was credited with an assist on Lindsay's goal and later scored the Rams' seventh goal with McDonald feeding him.

Meanwhile, Arthur ran up a 5-0 lead after the first period. Weatherall started the Rams' comeback, breaking the home side defence with an unassisted effort midway through the middle period.

He then converted a Newby pass for goal No. 2. Under a minute later, Weatherall notched a natural hat-trick, completing a three-way passing play with Brandon Valente and Jason McGuire.

For the Rams, goaltenders Mark Tyler and Daniel Charland sty-

mied Arthur's attack as their team continued to rally.

Adam Tyler notched goal No. 4 early in the third period from Weatherall and Lyons.

Wolfer then tied the game 5-5 with Lyons earning an assist with eight minutes left.

Wolfer later capped off the six-goal comeback, scoring his second of the contest, assisted by Nick Mastro.

The Rams battled Brantford to a 3-3 tie last Wednesday.

The locals took a 2-0 lead early in the second period before Brantford rallied to even the game.

Lyons then gave the Rams a short-lived lead late in the third

period with his second score of the game, but Brantford inched back to knot matters before the buzzer.

Setting up Rams goals were Chad Henry, Andrew Friolet, Adrian Chabassol and Matt Bronizewski.
