

# Students visit Mountsberg, fire hall

**ROBERT LITTLE NEWS**  
 BY ANDREA DINGWALL &  
 AIDEN STANLEY

This week we will tell you about Mrs. Coonie's class trip to Mountsberg. Students focused on the question, "Do you care?" and found out ways to help the environment. At Mountsberg they went

to the bird hospital where they saw the tools veterinarians use to operate on injured birds. Thank you to the parents to helped with the trip. June 8 was election day and there was voting at our school. To vote you have to be over 18 and be a Canadian citizen. If you don't want anyone to know who you voted for, well, you're in luck be-

cause there are private boxes. All that's known is if you came to vote or not. Inside the voting room you cannot advertise anybody who is running, but outside you can! Last week, the Kindergartens took a field trip to the Acton Fire Hall. At the fire hall they learned about different kinds of fire trucks like the tanker, pumper and rescuer. They watched a video that showed how firefighters help people in a fire, and what you should do if you're in a fire. Our fire station is different from stations in the city because there are many tall building in the city. For tall buildings, firefighters need long ladders. In a town like Acton, we don't need really long ladders.

# Top marks for Tonkovich

**ST. JOSEPH'S NEWS**  
 BY STEFANIE VIDIC &  
 MARY PAT O'MEARA

The track and field results have been tallied — our Bantam team came in first and the Midget and Atom teams did very well too. Congratulations! Our Grade 8 class left for Temogami on Monday for a week-long camping trip. They'll be back

on Friday. We hope that they have a great week! Mrs. Cosulich's Grade 6 class participated in the Pythagoras Contest 1995 — a math contest with skill-testing questions. There were 12 students whose grades were over the Canadian average, and one student, Marko Tonkovich, received such a high mark, he made the Honour Roll. Congratulations, Marko!

# Open Canada Day

**LEGION NEWS**  
 BY MIKE MANUEL  
 Branch 197 P.R.O.

President, Comrade Frank Koen would like *everyone*, not just Legion members, to know that the Branch will be open to all residents on July 1, to help us celebrate "Canada Remembers" as well as on July 2 for the annual fireworks display. See you all there.

The Ladies Auxiliary president, Eva Cutting, passed along the following information: "This spring I became your president, which is an honour,

but can only be successful with your cooperation. "As you are aware, we are going to be very busy the whole year round. I hope I can count on your support, as it is a new challenge for me. "If you can help, please don't wait to be asked. Why not volunteer? "On Sept. 22, we will celebrate our 50th anniversary, to which all of our Auxiliary members are invited. Please let your executive know well in advance so we have enough food ordered." See you at the Branch!
