HOMEPLAN OF THE WEEK!

Dream home

At a sprawling 110 feet wide, this stately home makes quite an impression. A fashionable stucco exterior boasts a dramatic high arched entranceway and palladian feature windows. A secondary front entrance provides private access to the area containing the recreation room, guest bedroom, den and utility room.

Enter through double doors into the main foyer, two storeys high and flooded with natural light from overhead windows. Decorative columns frame the entrances to the living, dining, kitchen and family room, and the main hall. The living room features a high ceiling and a fashionable window treatment. The dining room provides ample room for a large suite. French doors lead into the family room which looks out onto a raised patio area. The cook in the family will soon be a chef, working in a deluxe gourmet kitchen featuring plenty of cupboard and counter space, a work island, a walk-in pantry, and a separate "fry" kitchen complete with its own stove and

sink. The den, close to the secondary entrance, would make an ideal home office. A spacious recreation room provides an attractive spot for entertaining featuring a cosy fireplace, a wet bar, and french doors which lead out to the patio.

Upstairs, all five bedrooms are a good size. The games room could easily be converted into a sixth bedroom if necessary. The rear secondary bedroom and the master bedroom each feature a walk-in closet, a four piece ensuite with a raised swirl tub, and a private sundeck.

Plans for U-912 may be obtained for \$625 for a package of five complete sets of working prints and \$59 for each additional set of the same plan. Allow \$15 extra to cover the cost of postage and handling (Canadian residents add 7 per cent GST to plan total plus postage and handling.)

Make cheques, money orders, Visa or MasterCard authorizations payable to Acton Tanner Home Plan of Week, P.O. Box 150, Acton, ON, L7J 2M3.
