Petkoff scores 6 as Under-14 soccer reps blast Bolton

The MacMillan's Frozen Veggies and First Stop Copy Centre Under-14 Boys' soccer club travelled to Bolton last week, blasting the home side 9-0.

While Joel Petkoff booted six of the Acton goals, it was a team effort that gave him many of the scoring opportunities.

Ryan Bowen took command of the middle, frustrating Bolton play-

ers with repeated blocked clearing attempts.

Midfielders Josh Robbins, Ben Elliot, David Hatch and Jeff Payne played strong games by moving the ball extremely well.

Fullbacks Jakub Wiktor, Scott Nairn and Ben Williams were phenomenal in not allowing a shot.

Forwards Petkoff, Jason Mota, Danny Goralewski and Andrew

Martin were busy throughout the game with a relentless attack.

Petkoff, in particular, was unstoppable, bulging the net six times. Rover Derrick Inscoe was a constant pain for the opposition.

And keeper Kevin Drechsel relieved his boredom by playing forward in the second half and nearly converting on an open net.

With the win, Acton is 5-8.

No-Star Ladies are champs!

The Rockwood No-Star Ladies' fastball team has proven this year they are unbeatable.

After completing their regular season play with an amazing 12-1 record, the locals captured the Funtimers League championship on the weekend at a year-end tourney in Millgrove.

The ladies showed no mercy as they took all seven of their playoff games on their championship quest.

The No-Stars' winning ways began with impressive 27-4 and 13-7 wins over Freelton B's and Westover. Then they downed Freelton "A" by a 17-5 score.

The final, against Freelton B's, was very exciting. Both teams took their turn having the lead, but No-Star Susie Pasloske had the last swing of the bat, smacking a two-run homer that scored Carol Death, who singled, for the 12-10 verdict.

The game was even at 10-10 after seven innings, forcing extra frames.

The No-Stars gained a berth in the championship with a convincing 14-6 win over arch-rival Jerseyville.

"This was a very important game for the ladies," explained No-Stars coach Dot Polo after the game. "Jerseyville has some good hitters and fast runners and

the ladies had to keep their wits about them and play a real heads-up game."

That put their record at 16-1. Impressive to the locals, but only if it included a championship.

"We have been so close before and we are not going to stop until we've gone all the way this year. This is our year and we are going to do it," enthused manager Bonnie Hamilton before the match.

Travelling to Sheffield last Tuesday, the No-Stars came away with a 9-5 win.

Holly Colquhoun recorded her first homer. And Sue Legge continued her challenge for the home run title by adding another. However, Death took bragging rights with seven.

Next up was Greenville. The locals had a strong night at the plate en route to a 19-9 victory.

Sandy McNabb had some good hits, while catcher Brenda Farlow kept runners on their toes. Bev Armstrong homered in the fourth inning.

The No-Stars would like to thank Polo and Hamilton for their time, efforts and dedication this season.

As well, a special thanks is extended to the umpires, bat girls and boys and the dedicated fans for their support.

Peewee coach needed

The Acton Minor Hockey Association is looking for a Peewee II coach for the 1995-96 season.

If interested or for more info, call Steve Prentice at 853-4649.
