

# O.T. crushes Redmen

BY DOUG HARRISON  
The Acton Tanner

Some stewed on the bench. One even lay flat on her back in front of it. Others talked to consoling fans in the stands or simply left the Acton High gym, finding the 32-9 halftime deficit lit on the scoreboard to be too much.

At least the eventual 60-32 home-opening loss last Wednesday for the Acton Redmen Junior Girls' basketball team at the hands of Oakville-Trafalgar didn't look as bad as last year's 79-8 throttling by Bishop Reding.

Unlike last year, though, the score wasn't indicative of the play. There was little Redmen offence to speak of, save for the foul shooting dominance of Jenny Goy, who finished the game 11 for 13 from the charity stripe. Teammate Shari Patenaude put forth a two-for-two effort.

But the accolades stop there. It appeared some of the home players wanted to be anywhere but on the court when the game began. The Redmen were slow-

footed, didn't establish any game plan and allowed O.T. to streak to the basket at will.

The locals were actually out-scored 10-0 in the second quarter with three minutes left, but managed to save face - somewhat - with five points, highlighted by Goy's three-pointer.

"I think they're one of the best teams we'll face this year," Redmen coach Anne Andrews says of O.T. "They will probably go to triple-A OFSAA.

"When we shot the ball it didn't go in. And then we couldn't get close to the net. I thought 'something has to fall in,' but it didn't."

Indeed. While Andrews lauds the foul line prowess, the field goal percentage read an atrocious four-and-a-half per cent.

Goy's 22 points led Redmen scoring by a wide margin. Krista Keir counted four, while Patenaude, Shelley Hand and Janisse Bailey scored a basket each.

In the Junior matchup, O.T. defeated the Redmen 37-21.

**HOMEPLAN OF THE WEEK!**

*Deluxe starter home*

This home has a slightly lower square footage than the average two-storey, and can fit on a relatively narrow lot. These are features which should appeal to the family just starting out because low square footage results in lower building costs, and a narrow home can fit on a wide selection of properties.

The floor plan is both stylish and comfortable. Step into a good sized foyer, and to the right is a spacious open plan for living/dining enhanced by an elegant coffered ceiling. The kitchen/family area features a handy work island, cosy fireplace, and a bayed-out nook. Note also the attractive corner window over the sink. A den, close to the front and garage entries, would make an ideal home office.

Upstairs, both secondary bedrooms are a good size, with one featuring a boxed out window seat. The spacious master bedroom boasts a carousel window, a walk-in closet, and a three piece ensuite.

Plans for U-710 may be obtained for \$390 for a package of five complete sets of working prints and \$34 for each additional set of the same plan. Allow \$15 extra to cover the cost of postage and handling (Canadian residents add 7 per cent GST to plan total plus postage and handling.) Make cheques, money orders, Visa or MasterCard authorizations payable to Acton Tanner Home Plan of Week, P.O. Box 150, Acton, ON, L7J 2M3.
