Want a career in tourism?

Well, you can make this choice - you can become an entry-level person and learn from the bottom up, to develop into a front line position; move to supervisor; to department manager; then perhaps to the entrepreneurial status, where YOU CAN TAKE AN IDEA YOU HAVE AND RUN WITH IT TO CREATE YOUR VERY OWN BUSINESS. Sounds like any field of business perhaps, but the difference is the CONTINUAL EXPANSION AND OPPORTUNITIES OF TOURISM in our province and country and all countries of the world! AN EXCITING AND CHALLENGING FIELD OF SERVING THE PUBLIC, this may be for you - FIND OUT MORE by contacting OTEC, Ontario Tourism Education Corporation, at 416-253-4697, about their certification program.

MAYBE THE ITALIANS HAVE THE RIGHT SYSTEM - at least those living in Italy where they have the DAILY 'SHUTDOWN OF ACTIVITY' AT LUNCHTIME for a couple of hours. With their purported diets of PASTA AND WINE and a high percentage of smokers in the country, you'd think they'd have more heart problems than most. Not so - they are far lower than most countries in the heart disease problem area. The two-hour MID-DAY REST has to be a big factor - it's quite a sight witnessed during a visit there and sure enough, everything stops - the bank, the hardware store, what-have-you; THINK WE COULD TRY IT HERE? A beautiful country to visit, distinctive in the way only Italy can be.

A GREAT CHRISTMAS GIFT IDEA for someone travelling is a PHONE CARD, so they can PHONE HOME without worry. People will spend many dollars on a trip to go across the water, but then will be reluctant to spend money to phone home while away. THE UNCERTAINTY OF COST is a big factor. You can purchase a GLOBAFON card, for example (there are many) and they are easy to use and help keep the cost down. SEE YOUR LOCAL PROFESSIONAL TRAVEL AGENCY for information.
