

Regional council review

An expert in government issues and a panel of four citizens will review regional council in Halton.

Harry Kitchen has been asked by council to make recommendations on the following four areas:

– Should the regional chair be elected or appointed?

– Does the regional council accurately represent each municipality?

– Should regional councillors serve on local councils as well?

– Should regional councillors be full-time or part-time?

Citizens interested in providing input for the review can leave a message on the Regional Review Hotline at 878-8113, ext. 6019 or fax at (905) 825-8838 by Nov. 28. Kitchen's final report should be ready by Jan. 17.
