**IN MEMORIAM**

**PORTY, Dan.** In loving memory of a dear husband, father and papa, who passed away Jan. 6, 1995.

*God saw you getting tired  
When a cure was not to be  
So He closed His arms around you  
And whispered, "Come to me."  
Your golden heart stopped beating  
Your gentle hands at rest  
God broke our hearts to prove to us  
He only takes the best  
In tears we saw you sinking  
We watched you fade away  
Our hearts were so broken  
You fought so hard to stay  
But when we saw you sleeping so peaceful  
Free from all that pain  
We could not wish you back  
To suffer that again  
God knows how much we miss you  
Your memory shall never fade  
Loving thoughts will always wander  
To the spot where you are laid  
Loved and sadly missed  
Always in our memories and forever in our hearts  
Love always,  
- Joan, Paul, Kim and family, Brenda, Dave and family, Danny, Debbie and family, Jeanie, Mike and family.*

**Travelling in '96  
- More exciting  
events**

Open skies, Internet, E-mail... let's go back not too far to the addition of faxes to your world of travel, and you can see the many changes which have come about in the past few years. And hold on to your seat - there will be a lot more changes coming your way!

The launch of AIR CANADA flights to HONG KONG last week is another step up that ladder of change. Their first five flights to that exciting port were oversold, indicating they are serious about getting into that marketplace in first-rate fashion.

CANADIAN AIRLINES had a stranglehold on the Asian market for a long time until Air Canada made its move into Seoul and Osaka in recent years. That was before the deregulation or 'open skies' rulings and since then, you the traveller have benefitted by more services within Canada and throughout the world by not only our two National carriers, but also the International airlines; with generally better fares a result.

The CHARTER CARRIERS have added to this with their services creating further competition, and therefore better prices for you to the more popular destinations. Your professional travel agent is the place to make your arrangements as they have access to all the flight information on all carriers for you to make the right choice!

Five U.S. airlines plan to increase their service to Montreal for example. Delta, United Airlines, Continental, American Eagle and Northwest all plan more flights to the Quebec city. This is an example of what is happening all across Canada.

*Happy travels in '96 - we hope it is an exciting year for you!*

*Your community-involved  
travel agency. For the best  
routing, best fares, best  
service - come see us!*
