Time to go to Florida - Baseball season is coming!

Yes, the Blue Jays are back, or will be with their first game at Dundedin March 2nd. Wow, thinking baseball in this weather! Well, the temperature this week in Florida was around 23 Celsius, hmmm, and we know it will be warmer in the next few weeks - not a bad thought! We don't know how the team will be this year but thoughts of that green grass and those warm breezes combined with the sound of the crack of the ball on the bat...

You can call 813-733-9302 in Dunedin to get information about the Jays schedule, (813-733-0429 for reservations - top price \$9 per seat, plus service charge) with games taking place all during the month of March. Or you can call them in Toronto at 416-341-1000. The way the local pro teams, i.e. Leafs in hockey are playing, it makes the Florida scene even more inviting!

There are some 20 teams in spring training in Florida so you have a real choice. Montreal Expos are in West Palm Beach and the rest are spread across the state. We have the schedules and contacts for all the teams, so call us for info. Jays play Baltimore on March 7th at Dunedin Stadium - likely a hot ticket! There are good packages to Florida which is still one of the most popular winter getaway spots. See your local travel professional for assistance, and if you are driving south, be sure to see them for your out-of-province insurance coverage!

How about Myrtle Beach, South Carolina - they celebrate their 35th annual Can Am Festival March 9th through 17th. Beach games, musical productions, sporting events, family participation is front and centre, including a parade to entertain. Call 1-800-356-3016 for info.

The war is on between our two air carriers more than ever these days - with the latest salvo being the advent of Canadian Airlines Shuttle aimed at the business traveller. Initially you, the traveller will benefit - but in the long run, we wonder! The U.S. carriers have inched their flight costs up by a few dollars for spring-time travel so what's in store for us? Watch for the Air Canada-Canadian battle to heat up even more and get down and dirty!
