## Sr. Redmen v-ballers finish second at 7-1

BY DOUG HARRISON  
The Acton Tanner

Bob McKay knows he can go down his bench eight volleyball players without significantly hurting the talent on the floor.

But what if one of them goes down with a serious injury in the playoffs, which began yesterday (Tuesday) at home against the White Oaks Wildcats?

After a second-place finish in the Volpe Division with a 7-1 record — good enough for a first-round bye in the Halton high school playoffs — the Acton Redmen Senior Girls' coach knows nothing would be more crushing to his team than not having the entire bench prepared.

So in the Redmen's final regular-season match last Tuesday at home with the Loyola Hawks, McKay threw his rookie Seniors,

Lauren Furness, Yvonne Hendry and Sandra Wray, on the floor for the first two games.

They helped the Redmen take Game 1 15-7 and played with the Hawks in Game 2, a 15-12 loss.

But wanting to secure second-place behind the division-winning Georgetown Rebels, McKay was forced to summon his "A" unit for a 15-9 Game 3 victory.

"It was a last-minute decision to put (the veterans) in," McKay explained on Monday. "They had to get some work, but they didn't really warm up properly."

"We're going to need the other three to strengthen us for the playoffs. It was much-needed court time for them under stressful situations. If somebody gets hurt, we're going to have some adjusting to do ... I'm starting to think a little about next year, too."

**BRIGHT FUTURE:** The Acton Aqua Ducks Novice swimmers travelled to Brampton recently with all local athletes returning with at least three personal-best times. From left: Daniel Charland (four top-10 ribbons); Kristie Galvin (4th and 6th in 50-metre butterfly) and Jason Charland (winner of boys' high-point trophy, along with gold swims in 50m freestyle, 100m backstroke and 50m back. He also attained silvers in the 100m Individual Medley, 100m free and 4th in 200m free. (Eve Martin photo)
