Connie Bath, Acton IGA

As Deli Manager, Connie is well known for her special vegetable, cheese and meat trays that have appeared at many local functions.

Guests and participants at these functions have enjoyed the trays so much that the IGA has gained new customers from Guelph to Toronto.

Connie is always striving to meet her customer demands to the extent of being at the IGA as early as 6 am and as late as 2 am.

Connie is there when she is needed, whether it is to get that special tray ready, help the front cashiers when needed to serve customers better, or take on outside activities in serving the community.

Congratulations Connie!

Red Dog Cafe

The Red Dog Cafe is one of Acton's newest licensed dining businesses, having opened in September 1994.

The Red Dog was the original idea of Chef/Manager Carol Brunelle. Carol is a qualified chef, having won the Dean's Award in her class at George Brown College. Her past experiences have taken her from apprenticing at top Toronto hotels to the elegant cuisine of the Terra Cotta Inn.

Manager Michelle Perry has been Carol's partner since the business began. She has taken an active role in establishing the atmosphere and quality of the service at the restaurant. Congratulations Red Dog!
