Grade 6s visit Camp Brebeuf

CENTENNIAL NEWS

The third term has now begun and everyone is back from vacation, ready to get to work. Well, at least the teachers are ready.

Before the holidays began, the Grade 6s spent three days and two nights at Camp Brebeuf near Rockwood. They were involved in many outdoor and indoor activities including walking the rope bridge, orienteering and air bands.

Everyone had a great time and didn't want the experience to end.

Report cards also went home before the holidays. Most students were proud of their accomplishments and some know that they have to work a little harder to pull those marks up.

The grade 7 and 8s held their awards assembly before holidays, where students were recognized for high achievement in each subject area. Students who achieved an average of 80 per cent or better were named to the honour roll. More than 40 students were able to achieve that goal.

This week, the Grade 7s will be travelling to Erin to see a performance of *The Sword in the Stone*, the well-known tale of King Arthur and the knights of the round table.

As well, our students will begin their gymnastics, wrestling and badminton activities this term. Intermediate students will have the opportunity to play intermural badminton as well as on the school team.
