## A BIG ASSIGNMENT!

Adam Brouillard, an 11-year-old hockey player with the Atom 1 Rotary Club Acton Sabres, has drawn rave reviews for his defensive work against Roberta Martin (No. 20), a star forward with Six Nations. Down 2-0 in their OMHA semi-final series, Acton came up with a big 6-5 win on Sunday at the arena, thanks largely to the fact that Adam held Roberta to a single assist (she had four goals in the first two games of the series). What Adam lacks in size, he more than makes up for in heart, as demonstrated in this photo from Sunday's game. (Karen Wetmore photo)

## McGilloway 2nd at 'Ontarios'

Acton's Cara McGilloway came up with a big performance to finish second in the Senior Bronze Freeskate at the Provincials competition held in Newmarket on the weekend.

The Acton Figure Skating Club member competed with skaters representing all four

Ontario districts (Central, Northern, Eastern and Western) at the event.

"It was a tough field and she did amazingly well," said AFSC President Barb Metelka, who attended the All-Ontarios along with Cara's parents, grandparents and cheering section made up of

fellow Acton skaters. Also on hand was Cara's coach and aunt, Cindy Currie.

"Cara had a lot of stuff packed into her program and she just came up with a great effort," said Metelka.

Cara, a 12-year-old Grade 7 student at St. Joseph's, is now preparing for her lead

role in the skating club's upcoming carnival. "Cinderella" will be performed March 29 and 30 at the arena.

Cara, who competed as a Juvenile (13 years and under) at the Sectional level this year, will be skating all summer for further Sectional competition in the fall.

## Rams boss ponders town lacrosse loop

The Acton Rams minor lacrosse executive is playing with the idea of joining with the Georgetown Gators to form a new Halton Hills town league this summer.

"We had a meeting among our Acton exec and we decided to look into it," said Rams President George Artem on Monday.

The league would operate in addition to the regular Zone 8 rep league for Acton players. Artem explained that all Ram players would play in the town league, while those who wish to play additional lacrosse could compete in the rep league at the same time.

Artem said that the town league would likely feature teams in the Tyke, Novice, Peewee and Bantam age groups.

Town league games would be contested on Saturdays from mid-April until the end of June. Acton's rep league play goes from mid-May until mid-August.

Artem said that he now wants to hear from parents with comments on the town league idea. A decision to proceed will not be made before registration this Saturday.

"The town league would be a way for us to get our numbers up, to help newcomers get into the game and just to try something different," said the president.

"It would be more of a gentle break-in to a new sport, because lacrosse can be a challenging sport to pick up

for a new player. Then, if the newcomers do decide they like it, they can carry on with rep lacrosse."

Artem said that town league players would also be able to juggle two summer sports, because of the reduced time commitment.

Contact Artem at 853-3804 with comments on the town league proposal.

Rams registration is slated for this Saturday at the Acton arena. Sign-ups run from 10 am to 1 pm.

## Bronizewski leads Canes to win over Niagara

Acton's Matt Bronizewski played an important role in his Sentrex Major Novice Halton Hurricanes advancing to the next round of their Triple A league championships.

Bronizewski scored two goals to lead the visiting Canes to a 2-1 win over the Niagara Falls Thunder on March 7 in Game 1 of the series.

Game 2 was in Hillsburgh's Ice Palace where Halton suffered a 4-0 loss.

Game 3 saw team captain Bronizewski score a dramatic unassisted overtime goal to give the Canes a 3-2 win.

Bronizewski's club now will play a tough Stoney Creek squad in the semi-finals.

## Guelph meet best yet for 'Ducks'

The Acton Aqua Ducks swim club recently attended a meet at the University of Guelph along with 14 other clubs.

Aqua Duck Coach Gerry Ockenden said this was the best team performance so far this season.

The Acton swimmers came home with medals, ribbons, club records and, most importantly, personal-best times.

According to Ockenden, "team championships are rapidly approaching at the end of April and this looks like we are heading in the right direction."

Acton Aqua Duck results from the University of Guelph Swim Meet:
