★ Acton Update

Now 'it's really worth the drive to Acton!' with the addition of a Bruce Hood office! In August we purchased Acton Travel and refurbished it to our quality standards. We installed all new phones and computer equipment to offer Acton and the north area the same quality service we provide in the southern part of the Region of Halton!

★ Milton Update

Since we last came to you with our newsletter we have installed a completely new computer and printer system to serve you better! We also refurbished and redecorated in 1995 with new chairs for the agents and you to enjoy, while you plan your vacation!

★ Oakville Update

Our 'front office' area where we serve you, the client, has increased in size due to moving the centre partition back. Our equipment was upgraded and added to at this time also - all in the interest of faster and more comfortable surroundings when booking your travel in our friendly office!

TRAVEL SAFELY

When you are travelling you need to be aware of things around you at all times. No different really than when you are in your own town, but as a tourist we are mentally occupied in a different way and can be more carefree. To be conscious of where you are; your belongings, such as your camera, your suitcase or purse, and their whereabouts is important no matter where you are. Better to be safe than sorry!

We Are Group Specialists

From cruise groups to one day motor-coach trips, we do it all - for young and old alike! Bev Miller, an enthusiastic veteran of groups travel heads our groups services. We'll take you to Bermuda, to the Grand Old Opry, on a Mystery tour, you name it, we can do it!

BRITAIN AND EUROPE TRAVEL

is more popular than ever, according to our early bookings to these far-off destinations! Whether its to COPENHAGEN for its year long celebration; to AUSTRIA celebrating its 1000th year; or maybe to the BALTICS for their unique culture and history; THERE ARE MANY OPTIONS, and we have them all!

OUR VACATION PACKAGE DESTINATIONS AND PRICES

are the best you can get - for the BEST QUALITY PRODUCT, we've got it - whether for LONG RANGE PLANNING or TO GET OUT OF TOWN ON THAT LAST MINUTE SPECIAL - let our experienced, professional agents assist you!

RECORD CRUISE SALES !!!

We have just completed our most successful year of cruise sales! There are so many magnificent cruise ships, in all sizes, with new introductions creating some fabulous prices, that there is virtually a cruise designed for almost each person's need! The opportunity for our agents to compare the great land vacation packages with a cruise, definitely offers you the traveller, the best of all worlds - at Bruce Hood Travel

We are the way to go!

EMPIRE SANDY IS BACK - DON'T MISS HER!

We are proud to again sponsor the TALL SHIP EMPIRE SANDY to Bronte Harbour for the Oakville Waterfront Festival June 21, 22, 23. Last year was the first visit and all cruises sold out well in advance.

A great opportunity to get out on Lake Ontario on board this 740 ton vessel with some 10,000 square feet of sail. A real treat. All three offices will be official agents for tickets and Waterfront Festival buttons. This is a total great show for the family.
