# REBA to make downtown banners

It was a "banner" night for the Rockwood and Eramosa Business Association

(REBA) at a recent Eramosa Township Council meeting as Council approved a \$1,890

grant to REBA.

The money will be used to make 45 colourful banners and brackets for hydro poles along Alma and Main Streets in the village.

"The red and white banners will make the village look at lot more inviting and may encourage some of the people driving through Rockwood to stop and see what we have to offer," explained REBA president Ralph MacDonald last Wednesday.

REBA members Doris and Lou Bozzelli of Rumours Furniture have offered to make the banners and they would like to see them in-

stalled by the Pioneer Days festival, June 7 and 8.

"We can get the banners made in time. It's just a matter of arranging to have them installed with the company the Township deals with," Doris Bozzelli explained last Wednesday.

"We plan to alternate the red and white banners on the poles and they will match the red and white flower barrels and flowers that we have along the street."

So far REBA has sold 35 flower-filled barrels to downtown merchants and homeowners and more are available for \$25.

# Anne Frank play a great experience

**WELLINGTON HALL**  
 BY TRAVIS VAN RYN  
 Last week was packed with fun and hard work. Final exams are coming close and so is the end of the school year. Since it is finally getting warmer, we are starting to do more outdoor activities. We have begun to learn about the

game of tennis for gym class. Last Friday we went to the Young People's Theatre in Toronto to see *The Diary of Anne Frank*. It was a really great play. Afterwards, the actors participated in a question-and-answer period with the audience. None of us will forget this experience. Our day ended with a picnic lunch at Lakeside Park.
