

## 55 Alive offers refresher driving course

Fifty years ago, when most of today's seniors took a driving test, motoring was a lot simpler. Tests were different too - a lot less complicated.

It's not too late to sign up for this innovative driver refresher course for seniors.

Why should you take this course?

- It will show you the latest and safest driving techniques.
- It will help you overcome some of the frustrations of today's traffic situations.
- It will remind you of the rules of the road.
- It will help you to avoid

collision situations.

• Perhaps most importantly, it will help you maintain your independence longer.

This program consists of eight hours of classroom instruction and a one-hour in your car driving appraisal.

The sharing of experiences and concerns by peer group participants and driving information provided by trained instructors is an integral part of this program.

If you are interested in participating in this course, on June 18, 20, 25 and 27

from 1 to 3 pm in Rockwood at the Seniors' Resource Centre, 126 Main St. S., please call Elaine at 1-

800-640-0928 or leave a message at 856-2113 to have your name added to the registration list.
