

TOP JUMPERS: Rockwood Centennial School recently presented a cheque for \$8,635.61 to the Heart and Stroke Foundation as their contribution to the Fit for Heart fundraiser. This amount made the school top fundraiser in south Wellington. Presenting the cheque were the school's highest earners: from left, Jon Wooley, intermediate (\$50); Adam Brouillard, junior (\$220.25) and Sara Doolan, primary (\$220). In back row are Centennial vice-principal Jan Gregg and Sandra Moccia from the south Wellington chapter of the Heart and Stroke Foundation. (Karen Wetmore photo)

5,000-bird count

ERAMOSA P.S. NEWS

BY KARA DERMA & JENNIFER KUPFFERSCHMIDT

Last weekend all students at Eramosa P.S. took part in the B.I.T., (Bird Identification and Tally). It was a challenge for the Eramosa kids. The project was to identify and count the birds we saw. The grand total was 5,000 birds that the 150 students observed. That's quite a bundle for one weekend!

A special thanks to our

librarian Mrs. Frayne for making the program happen. It was a great success.

Last week we had our annual track and field day. Everyone worked hard to make this day a success as well. We were pumped up and ready to go in the races.

The events this year were challenging as well as fun. All the students were winners that day, even if they didn't receive a ribbon. Whoever received a ribbon will be going to the area meet tomorrow (Thursday).

Students learn to shoot – cameras!

WELLINGTON HALL

BY DAINE ROGERS, GRADE 4

Hi! this is Daine again. We are learning about photography in art class. It's really good so far. All of us like it because we can take pictures of other people.

We are writing exams still.

So far, everyone has received good marks.

This week the primary class is visiting the Biology and Earth Science Museum at the University of Waterloo. We're still busy with tennis and enjoying it more now that we're learning about the game.

Have a good week!

HOMEPLAN OF THE WEEK!
Traditional exterior on family home

A steep pitched gable roof, feature windows, brick accents, columns and a balcony over the main entrance recall a colonial style exterior that is sure to be a unique addition to the streetscape.

Partially open plans for the living/dining and the kitchen/family create a spacious atmosphere for gatherings of family and friends. The kitchen boasts an efficient working layout complete with a handy work island and pantry. Decorative columns provide a subtle separation between the family room and nook area. The den, set apart from the main traffic areas, would make an ideal home office.

Upstairs, three bedrooms share a three-piece bath. The master has a walk-in closet and a four-piece ensuite. An unfinished basement awaits your own creative touch.

Plans for J2-2101-96 may be obtained for \$440 for five complete sets of working prints and \$39 for each additional set. Allow \$15 to cover the cost of postage and handling (add 7% GST to plan total plus postage and handling). Please make cheques, money orders, Visa or MasterCard authorizations payable to Acton Tanner HomePlan of the Week, P.O. Box 150, Acton, ON, L7J 2M3.

COME ON, TRY IT! Eramosa Public School Grade 6 students Adam Bendig and Chris Dewey try to persuade their friends to drink alcohol underage (unsuccessfully) during one of the skits performed at the school's graduation ceremony from the V.I.P. (Values, Influences, Peers) program last Friday. In the program, the students discuss topics including vandalism, drug and alcohol abuse, smoking and stealing. (Karen Wetmore photo)
