ANNOUNCEMENTS

Jim and Gloria Jennings of Bancroft (formerly of Acton) wish to announce, with great pleasure, the forthcoming marriage of their son Robert, to Jeannine Houle, daughter of Pierre and Carol Houle of Milton. Wedding will take place on Saturday, June 29, 1996 in Milton. (24)

To my wonderful wife Brenda: The Top 10 reasons you graduated from university ... 1. That diploma will cover up that nasty hole in the wall. 2. Never waiting again in those long line-ups with those geeky nerds from accounting. 3. Finally getting away from that psychopath roommate who is sure Elvis is stalking her. 4. Get to wear those cool gowns and hats that everyone throws up in the air. 5. No more throwing defective computer printers that fail right before essays are due and causing a nasty hole in the wall. 6. No more throwing defective computers at geeky nerds from accounting. 7. Parking wherever you damn well please 'cause "I don't need no stinking parking pass!" 8. Your husband will never review your assignments and say, "I think you have clearly missed the intention of this assignment and as a result I am forced to fail you." 9. No more bench clearing brawls in the living room when disagreeing about your philosophical ideas. 10. No more prescriptions for nervous breakdowns. I would like to close by saying how proud I am of your accomplishments. It has been a difficult couple of years but you have brought new meaning to the word "courage." You still managed to keep your full-time job, raise two beautiful daughters, and still find time to be a wonderful wife. I know times were very difficult when your dad died of cancer. I know that this moment is very special to his memory and you found that meaning deep within your heart. There are two daughters who are very proud of you also. Rachel and Natasha have found a very special hero who they can call their mom; they have also found inspiration to keep trying when things go wrong. We love you and are very proud of you! — David, Rachel & Natasha Quinn. (24)
