Sample Fest a tasty way to spend Canada Day!

This Monday marks Canada's 129th birthday. Why not celebrate your nation by taking part in a local event that also celebrates Acton's downtown?

Comfortable walking shoes, a good appetite and an interest in historical Acton are the only requirements needed to take part in the Acton BIA's second annual *Sizzling Summer Sample Fest*, on this Monday, July 1.

Tour guides Jessie Coles, Ted Tyler, Helen Jocque and Yvonne

Rosenquist will conduct walking tours through downtown Acton, highlighting some of our history, folklore and historical gossip (did you know a home on Bower Avenue has its own ghost?)

Along the way, each tour will

stop at the Red Dog Café, Towne Friar, Big Scoop Café and Freezer Frenzy for refreshments and samplings.

Moorecroft, one of Acton's most stately homes which was built in 1897, will be open for viewing to the tours. Moorecroft was built in 1897 by Henry Moore, the owner and editor of the Acton Free Press and was designated a heritage property in 1992.

Tickets for this unique way to learn about your town while satis-

fying your tastebuds, are \$10 per person or \$18 per couple and are available at the participating businesses on the tours. Tours begin at 2 pm at the olde Hide House parking lot.

Last year's Sample Fest was a sold-out success and this year's promises to be just as good. Make sure you get your tickets as early as possible, as they are limited.

Hope to see you there and at the Acton firefighters' fireworks display at Fairy Lake after - a perfect

way to end the day!

Acton Tanner subscription sellers have been going door-to-door in the rural and urban areas of Acton and Rockwood over the past few weeks.

Help them and us out when they arrive on your doorstep by filling out a comment card telling us what's good and not so good about your community paper - we appreciate your input!
