Medical field aids Lung Association

The Lung Association, Halton Region is inviting the golfing medical community to participate in its first annual 3-D Golf Tournament for Doctors, Dentists and Druggists.

Being held at the prestigious Millcroft Golf Club on Tuesday, Sept. 17, it features a BBQ steak dinner and a host of prizes/give-aways for closest to the pin, longest drive, most honest team, etc. It will also include many fun events such as a challenge circle, skills competition and poker run.

"As the Lung Association's mandate is the improvement of respiratory

health through fundraising activities for the support of medical research and Lung Association community health programs, hosting these particular groups is a natural marriage," says Rick Kedzior, volunteer chair of the golf committee. "Golfers do not have to be medical professionals, however, we are limiting non-medical golfers to no more than 25 per cent of registration."

The tournament has a 1:30 pm shotgun start. Cost is \$125 and includes golf, cart and dinner. To register, call Lynn Cameron at (905) 847-1033.

Tornado relief fund at Royal Bank

On June 4, Wellington MPP Ted Arnott made the following statement in the Legislature, urging the provincial government to approve financial assistance for areas of Wellington affected by the April 20 tornado.

"On April 20, a devastating tornado swept through the northern part of Wellington county, hitting the townships of Arthur, West

Luther and Peel. In its wake the tornado left extensive damage to homes and farm properties. Preliminary estimates place the total damage at over \$4 million. Although many people had their properties insured, there is a considerable shortfall between what insurance will cover and the estimates received for rebuilding.

"Thanks to the outstanding efforts of the township councils, the disaster relief committee and hundreds of volunteers, a fundraising and cleanup campaign was set up. Without these generous volunteers, we could not have coped with the disaster we faced.

"But much still remains to be done. Damage is extensive and repairs are costly. We need the help of

our provincial government.

"Financial donations from the public are also urgently needed. I want to encourage anyone who wishes to contribute to do so at any branch of the Royal Bank. Funds will be directed to the tornado relief fund for Arthur, West Luther and Peel Townships, Royal Bank branch 00202, account number 5013-479."
