Plans made for Quilt Fest

BANNOCKBURN W.I.

BY EDITH MEDLAND

The May meeting of the Bannockburn Women's Institute was held at the home of Young Frankland with eight ladies in attendance. Roll Call: "Where my family originated" was answered by all.

Young's two nieces, Sang Mee Kim and In Kyung Song, came from South Korea about a year ago. They told us about their homes and schools, and

played their national anthem on the piano as well as renditions on the violin and flute. It was very interesting to hear how people live in their country.

A delicious dessert was served by Young and courtesies were extended to her.

The June meeting was held at Edie Medland's house with 10 ladies present. Roll Call: "An institute meeting that I particularly recall" was answered by all.

The District Annual Report was given by Linda

Cairns. Plans were made for the institute to host a day of the Quilt Fest to be held at the Agricultural Museum in Milton, August 2 to 11. Plans were made also for two euchres to be held at Limehouse Hall, June 20 and Aug. 1. The June 20 euchre was a success!

Young Frankland read a poem entitled *Love*. A delicious dessert was served by Anne Hollis. Courtesies were given to Edie by Linda. This is the last meeting until the end of summer. See you there.

Thanks IGA – great cake!

ASSIC ALERT

Acton Support Services and Information Centre would like to thank Acton IGA for donating the cake for our recent celebration of 20 years of service in the community!

The delicious cake was thoroughly enjoyed by all those attending the annual general meeting. Thanks again for your continued support.

Volunteer drivers are needed

for the transportation program at ASSIC. If you enjoy meeting people and like to drive, then perhaps this would be a volunteer opportunity worth exploring!

Volunteers need only drive where they feel comfortable. If you would prefer to drive locally only, that's fine. If you feel comfortable with longer distances, drivers are always needed to go to Hamilton, Toronto, Guelph and Mississauga. Drivers are given a mileage allowance and are reimbursed for out of

pocket expenses.

To find out more about becoming a volunteer driver for ASSIC please call June at 853-3310 or drop into our office at 19 Willow St. N., Acton.

A handyman is needed to provide various services to seniors, such as window washing and other odd jobs around the house.

If you would like more information please call Kim at ASSIC, 853-3310.
