

Wedding Bells!

Avoid wedding day mishaps

According to Bride's magazine, a little preparation goes a long way towards ensuring that wedding day mishaps don't get out of hand. If you organize an "emergency kit," and keep it nearby at the ceremony and the reception, coping with last-minute dilemmas will be a breeze.

Include the following in your emergency kit:

- needle, thread, buttons

and safety pins

- extra stockings for you and your wedding party
- extra lipstick, powder, blusher, fragrance
- comb, brush and hair-spray or gel
- tissues and cotton balls
- nail polish - colour, to match your fingernails, and clear to keep stocking runs from spreading
- extra copies of all pas-

sages that are being read during the ceremony

- pen and note paper
- telephone numbers for your caterer, clergy member, organist, photographer, florist, bandleader, car service and each member of the wedding party.

Keep in mind the most important ingredients of all: patience and a sense of humour.
