

Halton-Peel riding boundaries changing

The Halton-Peel riding will change its boundaries as of Jan. 8, 1997.

The new electoral boundaries are a response to population changes and were

drawn in an effort to keep the population of each riding near 100,000.

The new riding will be known simply as Halton and the entire town of Milton

will be included within its boundaries. Communities in Peel Region including Caledon, Bolton and Palgrave will be excluded from this riding and will become

part of a new Dufferin-Peel-Wellington-Grey riding.

"I am relatively pleased with the result of the electoral boundaries redistribution," said MPP Julian Reed.

Paul Auty of Georgetown Chrysler-Jeep is pleased to welcome aboard Chris Miller to his sales staff.

Paul acknowledges Chris's accomplishment as the Toastmaster's Area Governor, and says if you can get a word in edgewise, you'll probably get a great deal!
