## Used hockey gear needed

During these dog days of summer it's time to start thinking about hockey. Specifically, what you're going to do with the old and used equipment which is currently taking up room and collecting dust in your basement, garage or storage area.

Well, Acton House League Secretary-Treasurer John Toebes has a suggestion for you: Why not donate it to the Acton Minor Hockey system.

"We are in real need of second-hand equipment. In particular, we have a pair of boys - 9 and 11-years-old - who recently lost their equipment in a fire.

"I'm hoping someone with some equipment will step forward and donate their old equipment to these boys," said Toebes.

The former former Acton Citizen of the Year says that without such an act of kindness it's really unlikely the boys will be able to play hockey this season.

According to Toebes, however, the need for used

or second-hand hockey equipment isn't limited only to these two individual cases.

"Because of the high cost of equipment some parents have expressed a lot of concern about how they are going to be able to outfit their kids for

the upcoming season. Many have said their only option, if

their child is to play, is second-hand equipment."

Skates, gloves, shoulder pads, goalie equipment, etc. - all ages and sizes are needed and would be most appreciated said Toebes.

## Glenlea blanks Blue Springs 2-0

Continued from Page 19  
breaking the deadlock. The Holland Shop picked things up in the second half having several good scoring chances but it wasn't to be.

The Holland Shop were paced by Cameron Shortt, Mathew Denny and Candice Worfolk.

For the Tanner, Stephen VanHelden was a peak performance and Curtis Marcoux was his usual steady self on defense. As well,

Chantal Little, the club's smallest player, was a dynamo turning in a terrific effort.

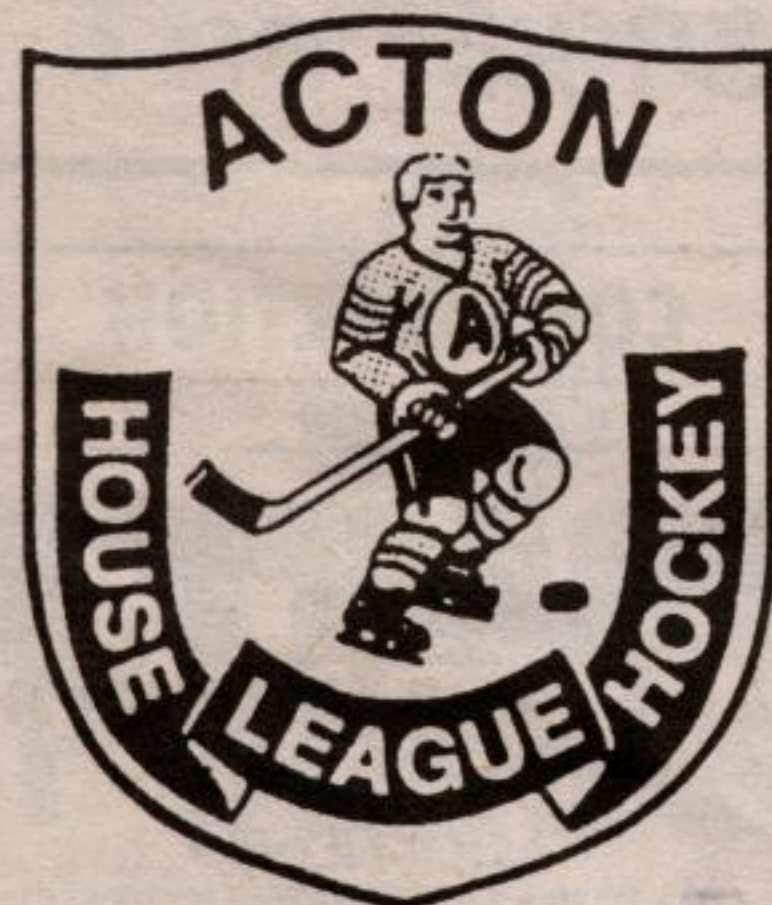

Glenlea Drug Mart defeated Blue Springs Flowers 2-0 at MSB on Aug. 12. The goal scorers were not available.

Jesse Case and John Cullen were outstanding in the Blue Springs net, with Cullen turning aside eight Glenlea shots. Also excelling for Blue Springs were Shawn Morin,

Jessica Blazenko and Curtis Stoehr.

Blooms Away Flower Shop came up smelling like roses with a 1-0 win over Acton Pharmacy, Aug. 12 at MSB.

The Acton Pharmacy squad had several chances of their own to get on the board, but breakaways by Liam Heelis, Evan Colvin and Christopher Yundt were turned aside by the great goalkeeper of Blooms Away.
