## Indoor soccer clubs ready to roll in Acton

As the outdoor games are now over, the Acton Soccer Club invites you to begin thinking about their indoor soccer season.

Indoor soccer is an excellent opportunity for players to ready themselves for next summer and it is played in a fun, friendly environment. New players can learn about this exciting sport and current players can continue to develop their playing skills.

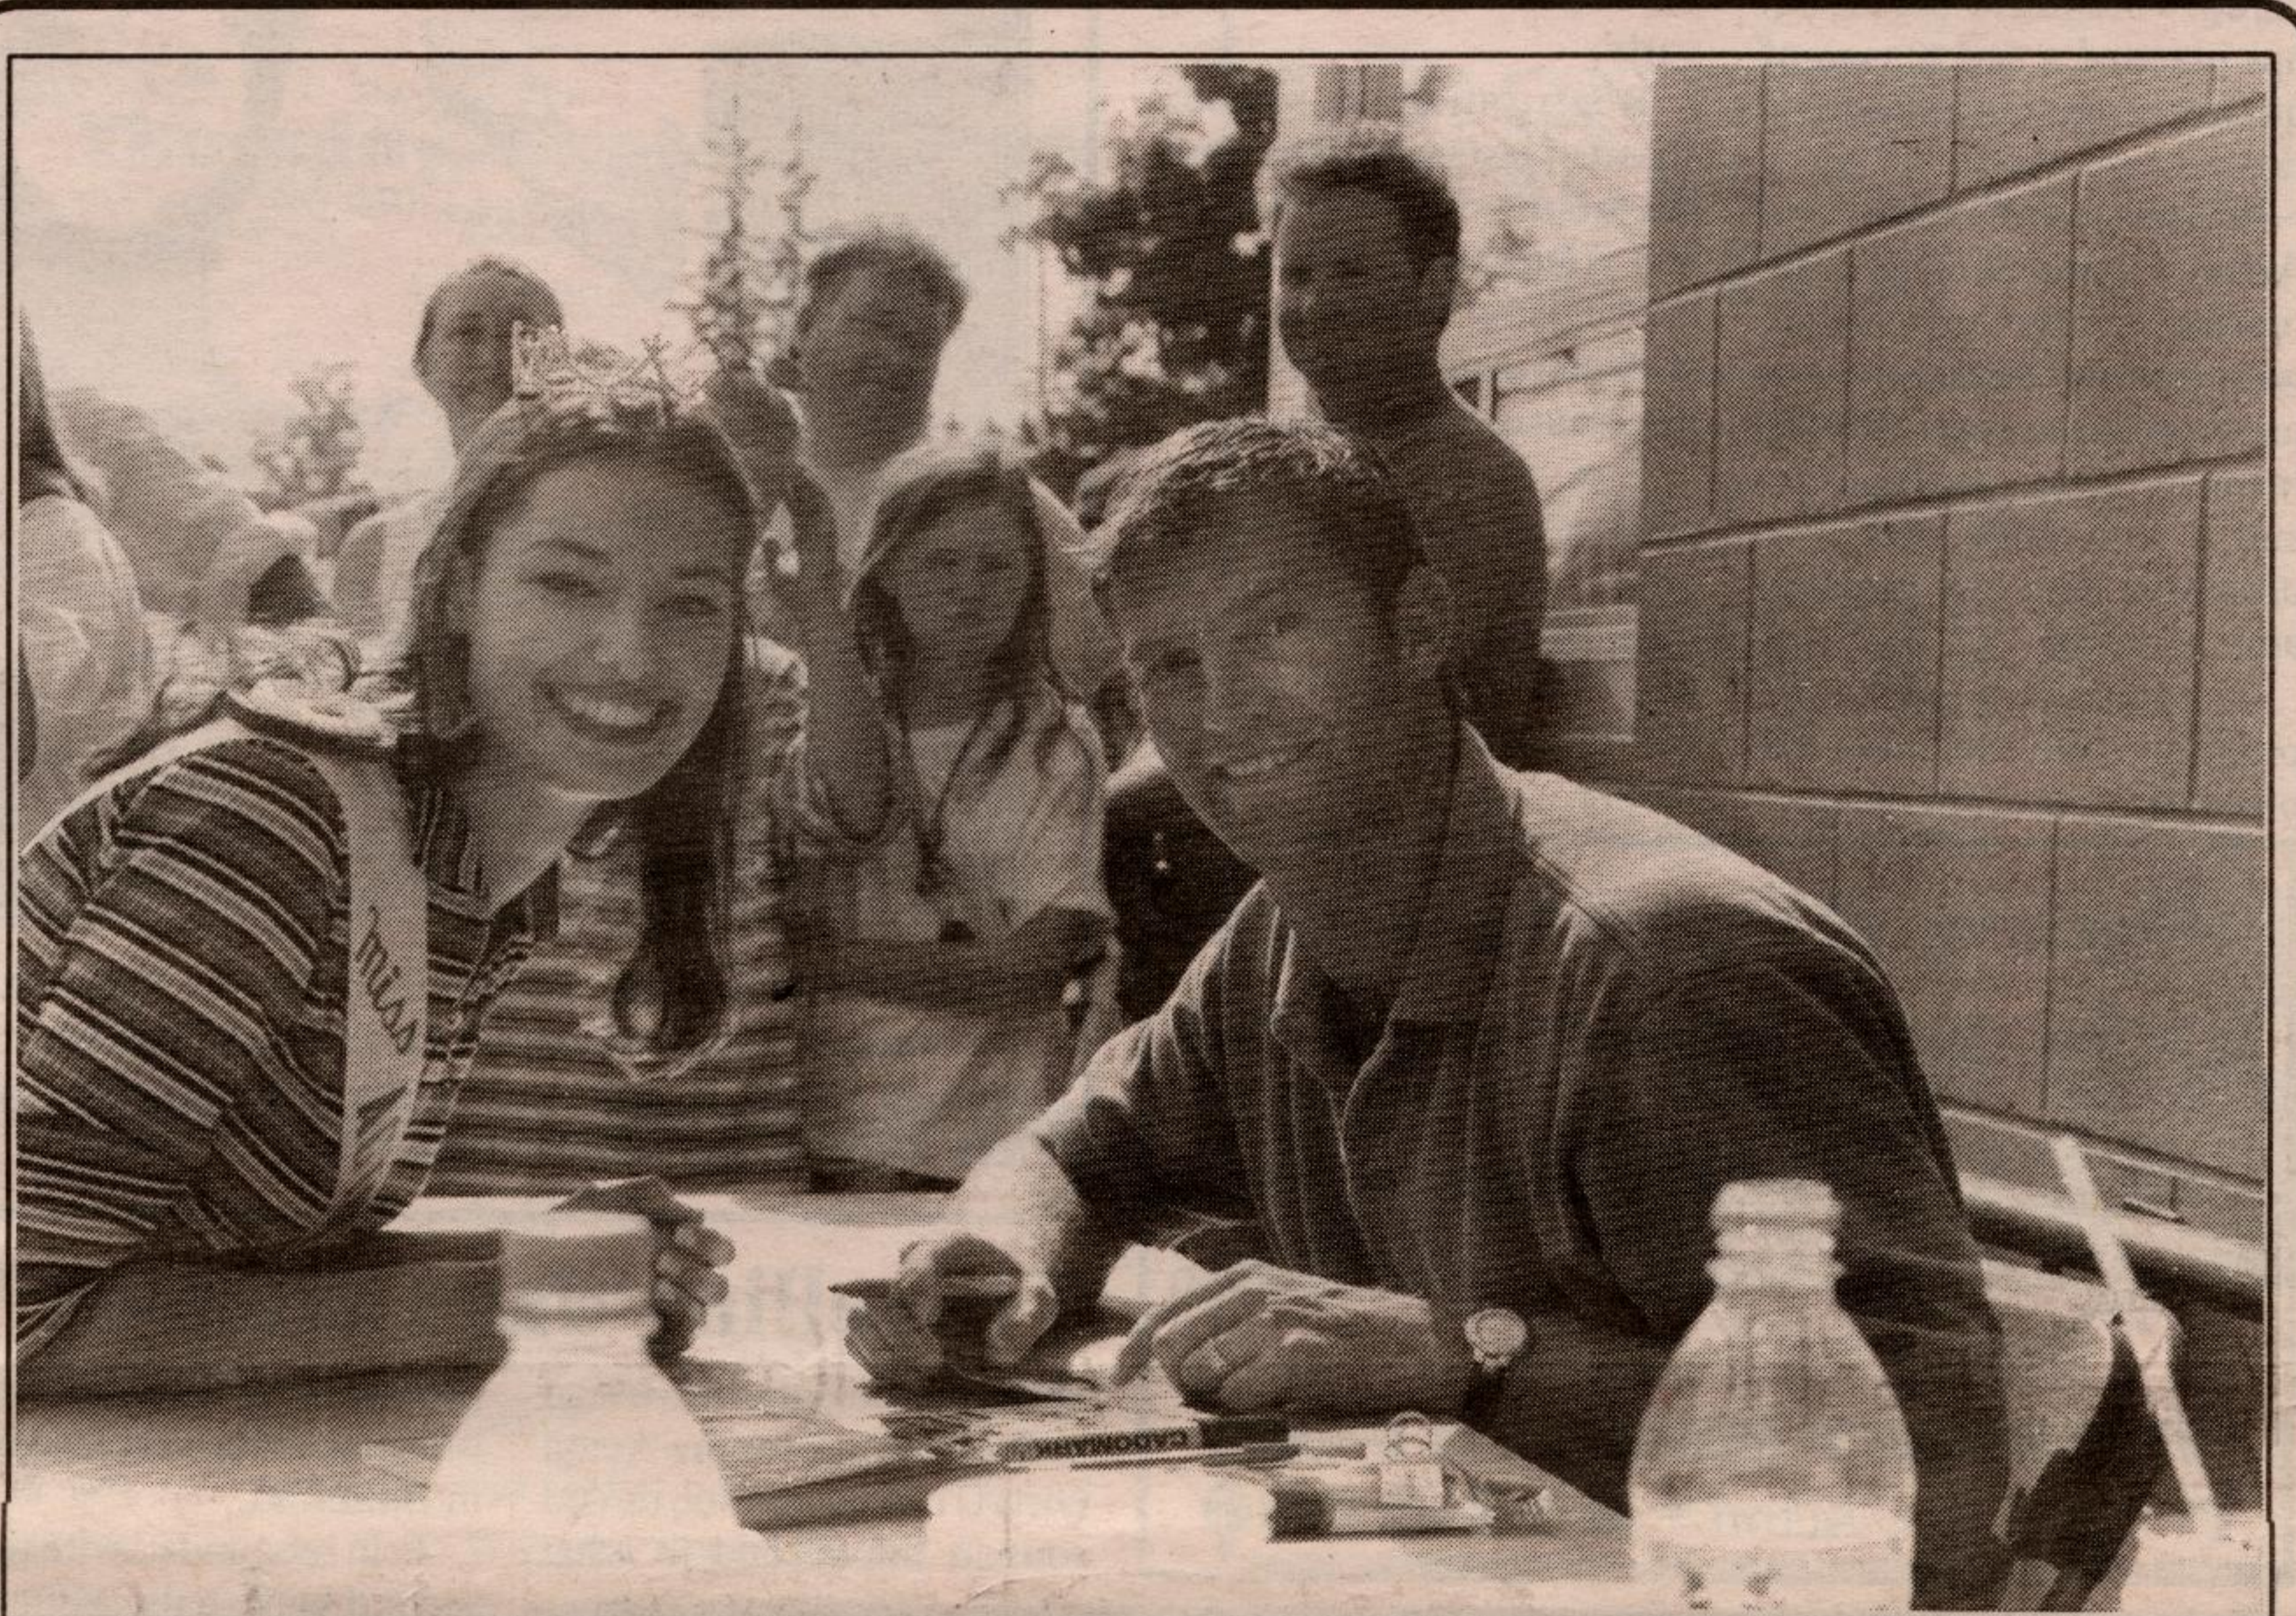

This year, registration is open to players aged four to 15 and 16 and over. Four and five year olds will be familiarized with a soccer ball and will be taught basic skills. The rest of the younger age group will be divided into three year allotments and formed into mixed teams.

Players aged 15 and under are scheduled to play on Saturdays from Nov. 2 until March 9, at M.S. Bennett school.

The adult league is also mixed and games are to played on Sundays, starting Nov. 3 until May 9 at Acton High School. No games are scheduled over Christmas, Easter or the March break.

Registration will be held on Saturday Oct. 5 from 9 am to 2 pm; Sunday Oct 6 from 1 pm to 4 pm and on Thursday Oct 10 from 6:30 pm to 8:30 pm at the Acton Community Centre and Arena.

Cost of registration is \$40 for children 8 and under and \$50 for players aged 9 and up. Family discounts are available.

## Big Scoop U17 Boys have big season

Acton's under 17 boys Big Scoop had a good season, making it to the semi finals in Mississauga, Sept. 21. They had hopes for the finals but were put out by Mississauga, 4-1.

Acton's one point was crossed in front of the net by Ben Muggridge to Jeff Birrell who tapped it in.

The team started the early morning game at a slow pace, but picked up the pace as the game progressed. Great effort was put out by the whole team

with special mention for Mike Borrelli, Daryn McIntyre, Kyle Straw and Ryan Gallagher who played with a broken toe.

The team struggled all season against a shortage of players - sometimes playing eight to their opponent's eleven.

They showed great diversity in playing all positions. There was improvement in each individuals skill level and in team play.

Special thanks to Wally Sitarz. If not for him there would not have been a team.
