BY KYLE GOODLET
The Acton Tanner

The new and improved Acton Figure Skating Club is set to spin off the 1996-'97 season.

With Scott Malcolm heading up a new executive of parent volunteers the AFSC has planned a full season of quality programs and activities.

Professional coach and Acton Figure Skating Club product, Cindy Currie, along with host of certified amateur instructors are offering learn to skate, power skate and a full range of CFSA programs with low coach to athlete ratios.

In conjunction with these programs, the executive has planned a number of fun days

such as Christmas and Valentines day skates.

The AFSC will also be holding Acton Arena's final gala event on April 4 and 5 as they present their Movie Mania carnival, which will be followed by a skating party.

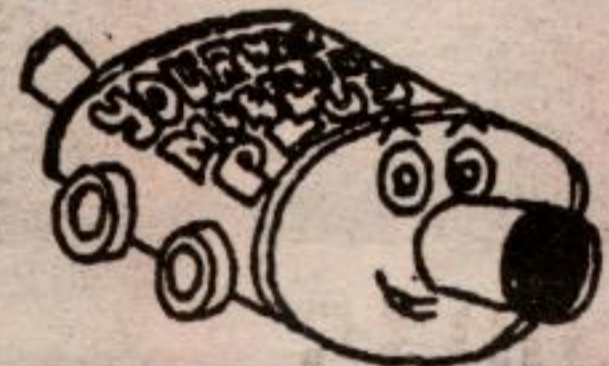

Registration is already ahead of last year at this time, but there is still room for you and your children to join. A late registration is being held at Acton Arena on Wednesday Sept. 25 from 7-9 pm.

For more information, contact the easily approachable board of executives or attend the parent information night that is tentatively scheduled for Oct. 21 at the Acton Arena.

Travelling days are over for Bruce Hood Girls U15's

What started out as a 2-0 lead in the first half for the Acton Girls U15 Soccer Club turned sour in the second in what

proved to be their final play off game of the year last week in Balinifad.

Erin rebounded with three second half goals. Although Acton had a number of chances late in the game, it just was not meant to be.

Acton's two goals were

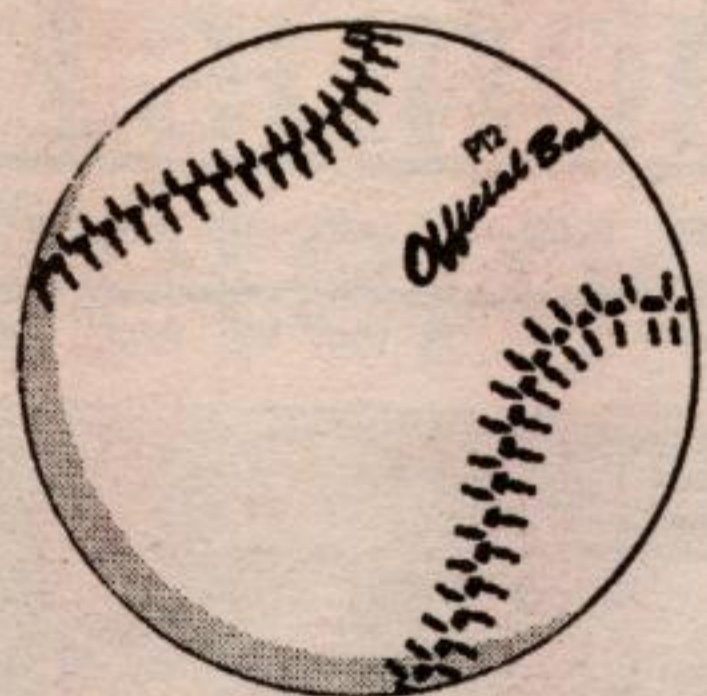

scored by Erin Douglas and Eva Sitarz.

Chrissy Pereira played another good game in net and kept it close.

Noteworthy players for Acton were Amanda Burgan, Emma Douglas, Kristy Goy and Mary Krasney.

Coach Jerry Burgan deserves special thanks and congratulations on a successful year with the Bruce Hood Girls.

Both the U17 and U19 teams showed pride, hard work and fair play, representing Acton well all year.
