Volleyball Redmen shine

Juniors and Seniors win two games each

BY KYLE GOODLET

The Acton Tanner
Both the Acton High Junior and Senior volleyball teams added a pair of wins to their records last week against Assumption and Bishop Reding schools.

Chris Young, Jamie Birrell and Dave Dolliver were impressive as the Senior Boys captured the Crusaders in 15-8 and 15-3 sets on Monday.

It took three games to get the job done on Wednesday, but the Redmen came up on top against the Bishop Reding Royals.

The seniors began with a 15-11 victory over Reding,

who rallied back with a 15-6 second game. A 15-13 come from behind win sealed the game set and match for the Redmen.

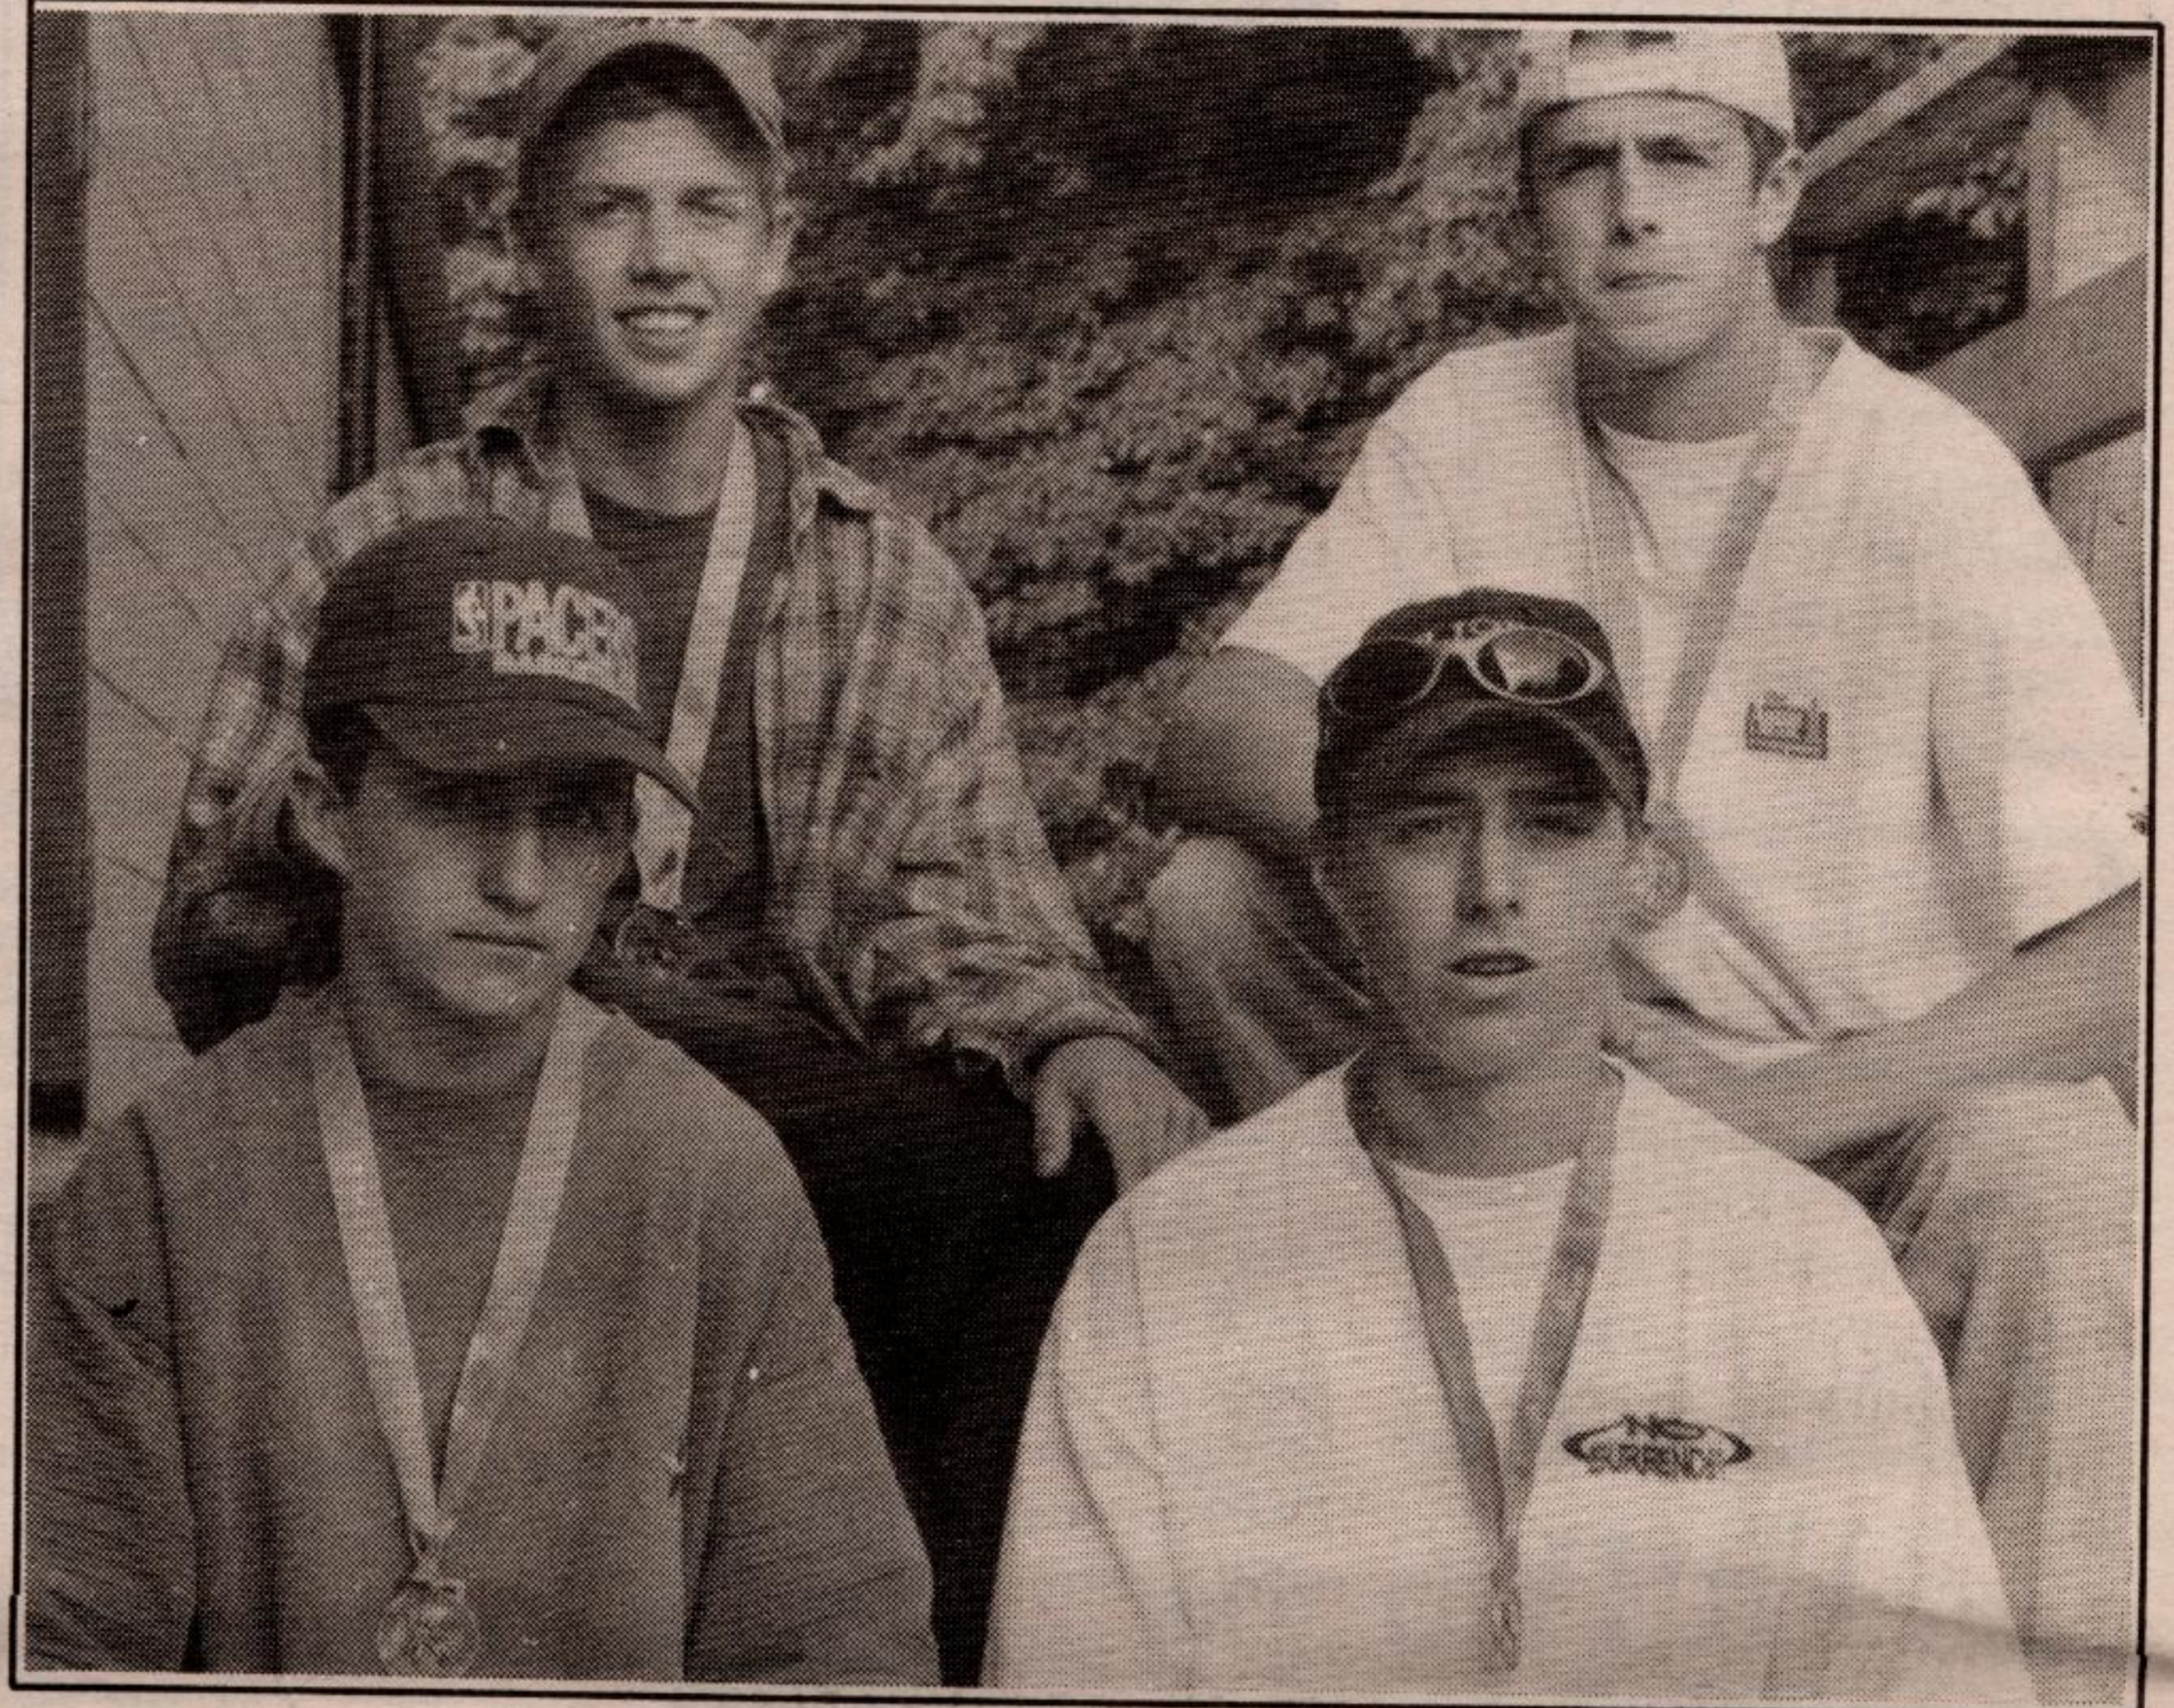

Acton High's Junior Boys continued their winning ways against Assumption in their second league match. The Juniors proved too strong for the much smaller team from the south and all the locals saw the floor in 15-6, 15-3 and 15-2 scores.

Coach Ellis was impressed with the improved play of some less experienced athletes and pointed out the passing and blocking of Moshin Siddiqui, and the offensive

work of Ryan Gallagher.

The streak continued for the Juniors as they too defeated Reding on Wednesday. Scores were 15-8 12-15 and 15-3. Coach Ellis was pleased with the serving power of his young team, especially first year Junior Adam Ahearn and co-captain Andre Savard.

"We suffered in our own Acton Invitational Tournament from inconsistent serving and that cost us a championship shot in our own gym last week," said Ellis. "The boys showed composure and character in bearing down when they had to."

MAVERICKS: Teammates Kyle Artem, back left, Jeff Newman and in front Ryan Young and Shawn Weatherall show their Ontario B Provincial silver medals. Absent is Sandy Chapman, who also plays for the Milton team.

Mavericks score

BY KYLE GOODLET

These Acton lacrosse players have taken their sticks to Milton and joined the Midget Mavericks.

Kyle Artem, Jeff Newman, Sandy Chapman, Ryan Young and Shawn Weatherall had played minor lacrosse together for a number of years in Acton but a lack of players

in their age group forced them to go to Milton to continue their careers.

It turned out to be a good move for the athletes as they and the Mavericks took a silver at the Ontario "B" Provincial Championships.

Kyle Artem was also named MVP for the Mavericks last season.

Shevalier a 'Runner

Former Acton Sabre Jeff Shevalier has been re-assigned to the Phoenix Roadrunners by parent team the Los Angeles Kings.

Shevalier, who has spent the last two seasons with the Runners led the club in assists with 38 and ranked second in goal scoring with 29 last season. In a short stint with the Kings last year Shevalier potted a goal but that apparently was not enough to keep him playing in the show.

CHAMPIONS! The Robert Little 8-year-old girls cross country team took first place in the North Halton championships last Thursday. In back from left are Melissa Hynds, Rhiannon Roehrig, Kyra Malcolm, Desta Frey, Megan Gillberry, Brittany Guglick, Breanna Campbell, Hjordis Stockinger, Megan McCluskey and Dallas Lepard. Top runners for the team are in front from left, Blair Adams (17th), Myla Donaldson (8th), Caitlin Bowen (fifth), Kiersten Duncanson (9th) and Michelle Vandanakker (29th). The girls competed in the All Halton championships yesterday.
