HOMEPLAN OF THE WEEK!

Stately Home Suits Sloping Lot

TYNAN DESIGN LTD. Plan No. U-889 3518 SQ.FT.
13659-108th Avenue Phone: (604) 581-5722
Surrey, B.C. V3T 2K4 Fax: (604) 581-4822

This traditional design features a roof with gable ends, stucco and brick exterior, a raised arched entry, and bay windows. A dropped garage makes this plan suitable for a lot that slopes from back to front.

The foyer features a 12' ceiling and an overhead window. The living room boasts decorative columns and a feature bay window. Six steps up lead to the main floor level. Decorative columns frame the entrance to the dining room and kitchen area. A glass railing in the dining room creates a more spacious atmosphere, allowing guests to look down into the living room below. A gourmet style kitchen is complete with an efficient "U" shaped work area, pantry, handy work island and a large carousel nook. T-bar glass roof panels over the sink area provide plenty of light. A spacious family room features a gas fireplace and a wet bar. French doors lead into the games room which features a private deck.

Plans for U-889 may be obtained for \$625 for five complete sets of working prints and \$59 for each additional set. Allow \$15 to cover the cost of postage and handling (add 7% GST to plan total plus postage and handling). Please make cheques, money orders, Visa or Master-Card authorizations payable to Acton Tanner Home Plan of the Week, P.O. Box 150, Acton, ON, L7J 2M3.
