

Green-a-thon fundraiser on Friday

M-S-B SCHOOL NEWS

McKenzie-Smith Bennett is holding its annual fundraiser this Friday, but this year things will be different. Instead of selling a product and

keeping only a portion of the proceeds, MSB students will be doing a variety of environmental activities around town, such as raking leaves for seniors, planting seedlings and tulips at the school, and

highlighting the importance of keeping our groundwater clean with the Yellow Fish Road program.

Students are canvassing family and community members to sponsor them in the Green-a-thon as the fundraising component of the day, but our primary goal is to clean up Acton and contribute to the community that gives so much support to the students!

Any seniors who would like their leaves raked on Friday can call Susan McPhail Job at 853-4621 or Joanne Stevenson at 853-1262. The service is free, but you may sponsor the student(s) who come on Friday if you wish.

We're looking forward to a busy, productive, and - we hope - profitable day. Look for our students as they head off to their various activities around town!

Busy month ahead

A 'record' week

ST. JOSEPH'S NEWS

BY AMBER DUQUE & COURTNEY JONES

D.A.R.E. (the Drug Abuse Resistance Program) is again underway with our Grade 6 students. Officer Hughes is teaching us what to do when we are faced with important decisions concerning drugs.

The bake sale was a great success. We were able to send \$250 to United Way to help those in need. Thank you

everyone for your support.

The volleyball teams were both victorious last week. The boys won 15 to 13 and the girls 15 to 11. You could say that our teams are "Hot! Hot! Hot!" Keep on spikin' teams!

All our students are part of a Christmas CD recorded last week. We hope everyone will want to buy one to put in their music collection. Thanks goes to Mr. Harkin who has coordinated this project and inspired us with his talents.
