Basement Entry

MAIN FLOOR PLAN 1194 SQ. FT. BASEMENT FLOOR PLAN 896 SQ. FT.

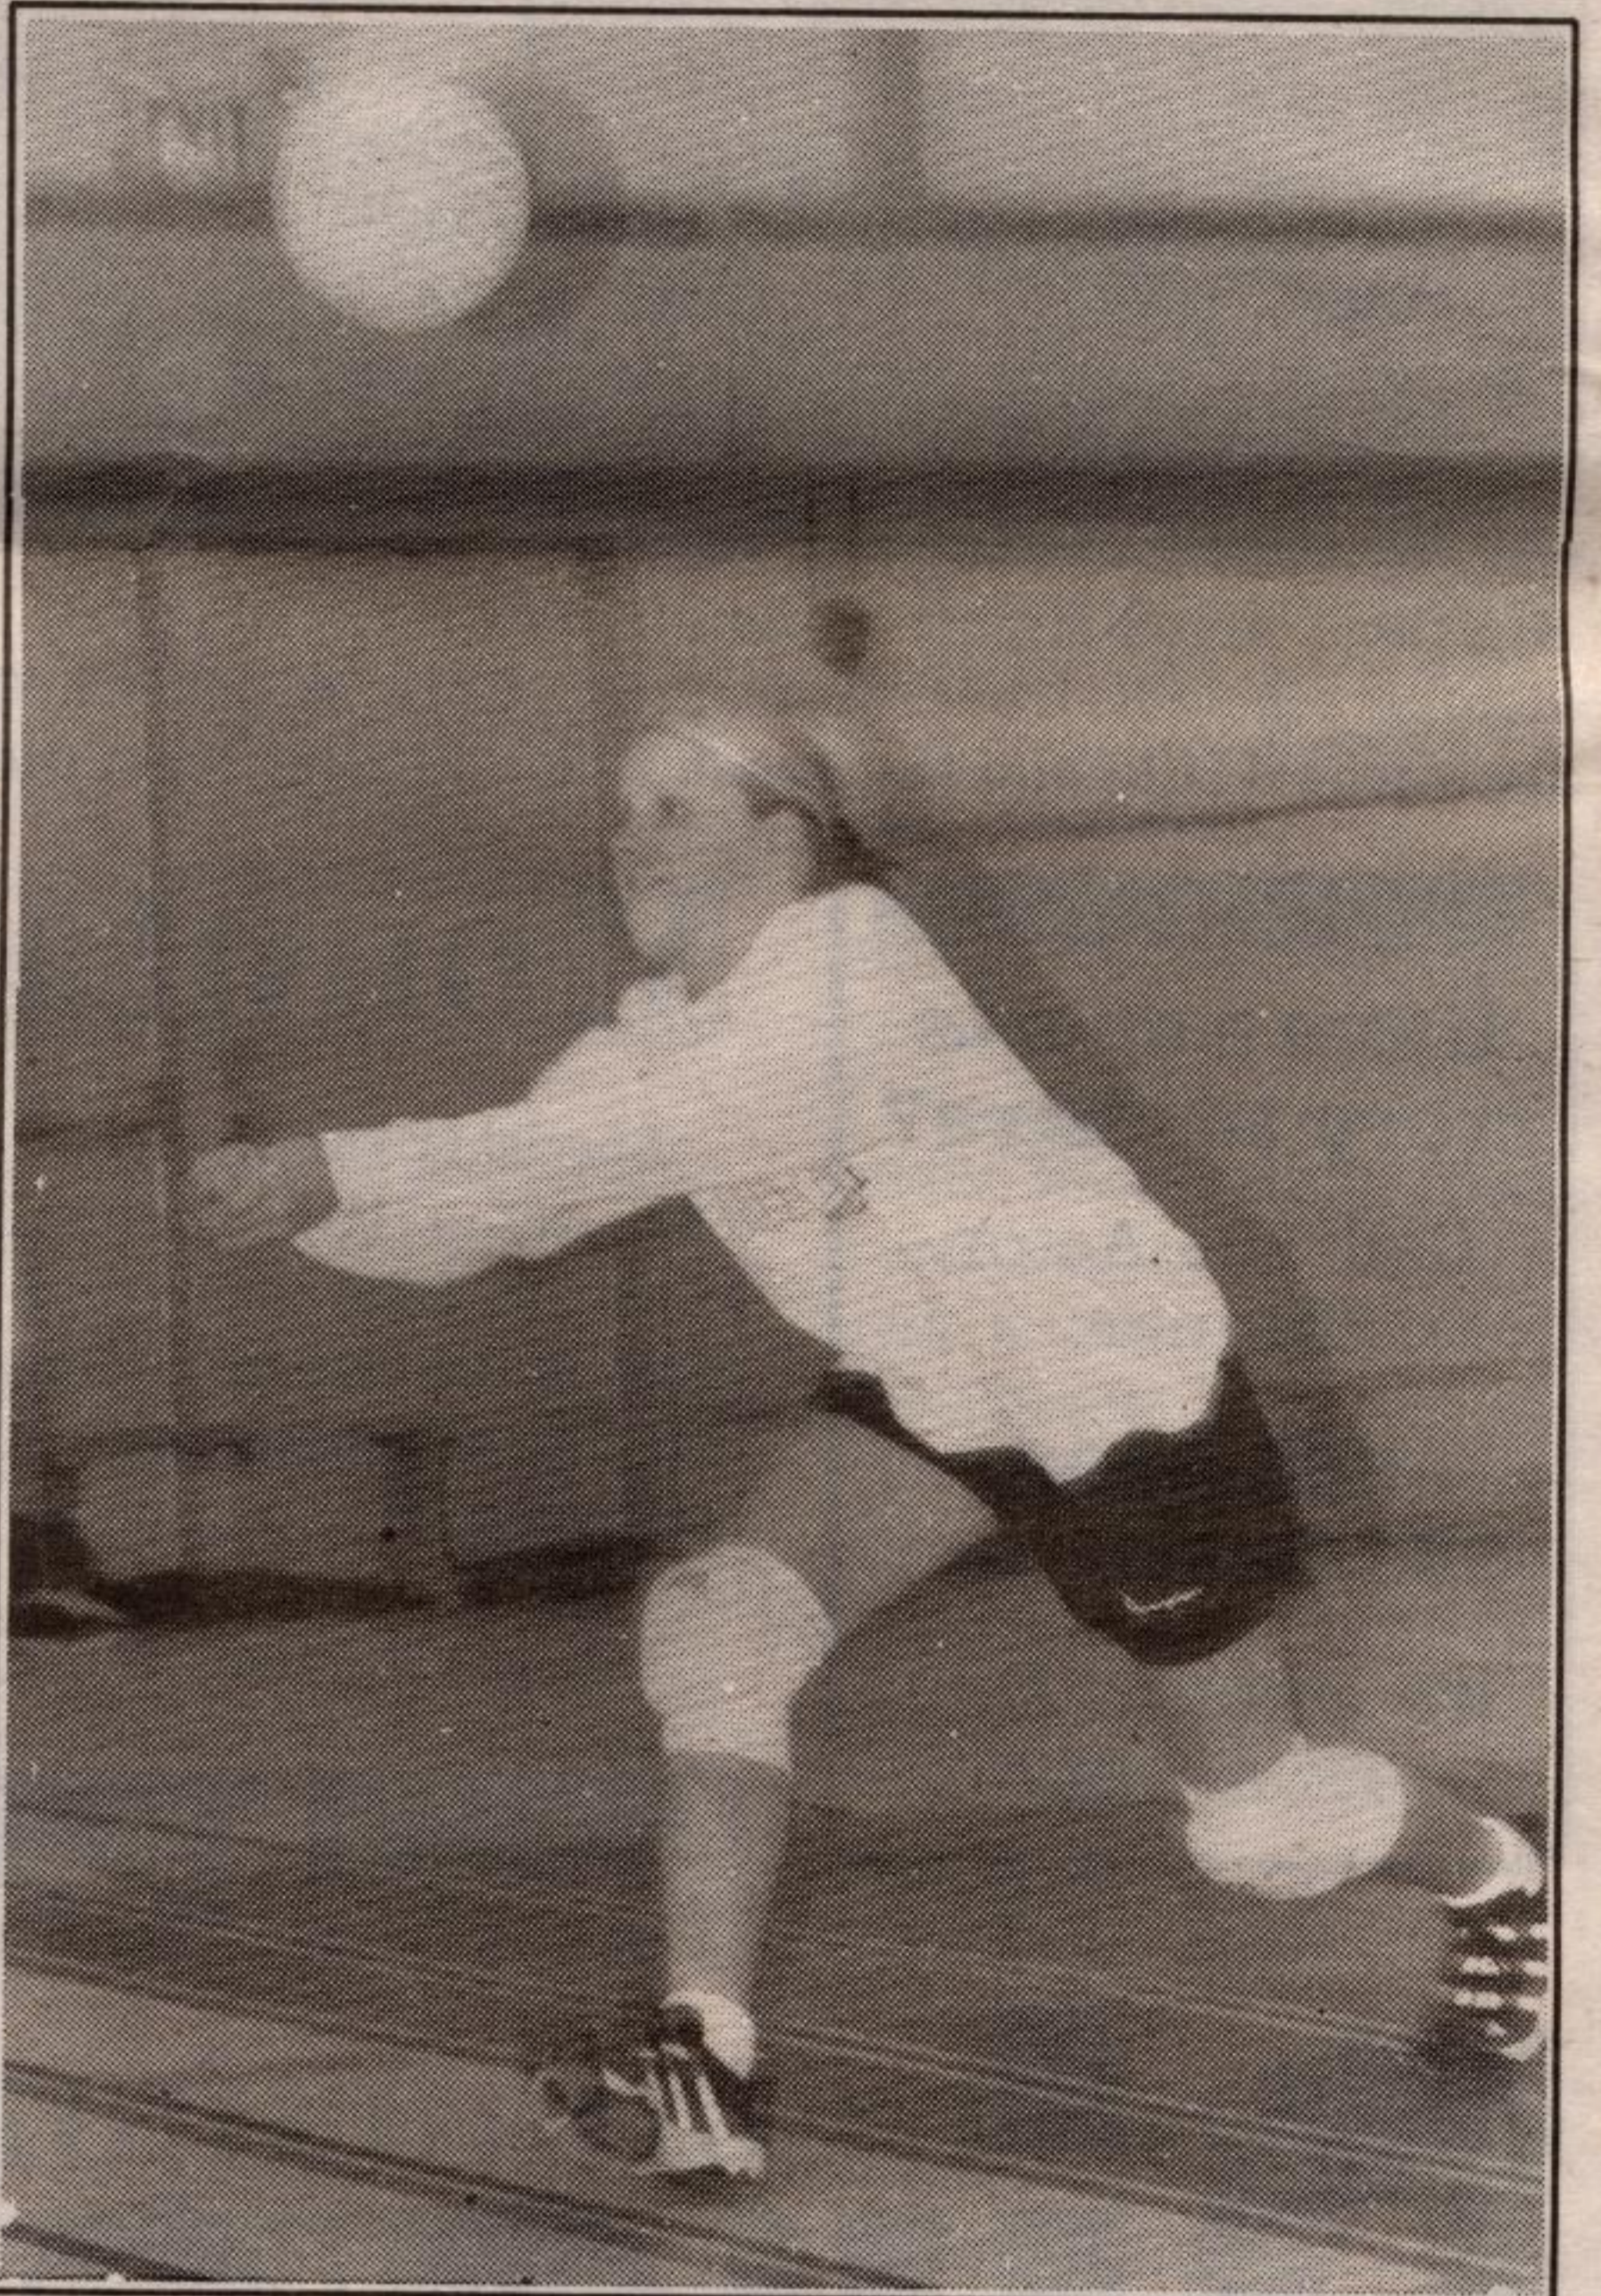

TYNAN DESIGN LTD. Plan No. BG-101 1194 SQ. FT. Phone: (604) 581-5722 Fax: (604) 581-4822

A stucco exterior with feature windows and a roof designed with gable accents creates a pleasing and fashionable look for this basement entry home design.

An open plan for the living and dining room creates a spacious atmosphere and features a vaulted ceiling and a cosy gas fireplace. The kitchen features an efficient "U" shaped working area. The nook provides access to the sundeck which is partially covered. The master bedroom boasts his and hers closets and a three piece ensuite.

Downstairs, a potential home office is conveniently located just inside the front door. The rest of the basement can be finished once time and finances allow.

Plans for BG-101 may be obtained for \$335 for five complete sets of working prints and \$29 for each additional set. Allow \$15 to cover the cost of postage and handling (add 7% GST to plan total plus postage and handling). Please make cheques, money orders, Visa or MasterCard authorizations payable to Acton Tanner HomePlan of the Week, P.O. Box 150, Acton, ON, L7J 2M3.

GOT IT! Mustang Devon Lambert bumps a return serve during a home game against W.I. Dick last Thursday at MSB. The girls' volleyball team lost both games to the visitors.
