Hockey squad kicks off season

The Acton High School Rotary hockey team improved its pre-season exhibition record to one win and two losses with a victory over Milton District High School last Wednesday. Acton defeated the Mustangs by a score of 7 - 2. Scoring for Acton were Steve Protopapas, Ryan Seeds (2), Dave Clark, Trevor Malloy (2), and Matt Boycott.

Acton has three games this week, including stops in Georgetown, then back home in Acton for a tilt with E.C. Drury, before traveling to Burlington, Friday, to suit up against Burlington Central.

RECORD HOLDER: Daniel Newell, 13, receives a plaque from the Youth Bowling Council for his record-breaking score of 373 for one game, played on Feb. 12, 1994. Daniel finally received his plaque last Saturday at Acton Lanes from retired program director Brent Dance, left, provincial program co-ordinator Melanie Girard and zone F representative Andy Parent. His record still holds in the bantam boys 5-pin division. (Eve Martin photo)
