

ACTON MINOR HOCKEY REPORT

Acton Novice Sabres have a busy week

NOVICE ONE SABRES

It was a busy week for the Acton Novice I Nellis Construction Sabres as they split their three games winning one, losing one and tying one.

The Sabres continued to play good defensive hockey as they picked up a win against Orangeville in their third game of the week, 2-1.

It took until mid-way through the third period for the Sabres to draw even as Andrew Marcubx buried a shot behind the Orangeville goalie on a feed from Shaun Harkley. Their hard defensive work finally paid off as Kyle McDonald took a pass from Ryan Winters and scored the winning goal with just over a minute to play.

The Sabres opened the week with a 2-2 tie against Milton, and then dropped a 3-2 decision to Elora, in hard fought defensive games.

NOVICE II SABRES

The Andy's Restaurant Acton Novice II Sabres managed to stay close for the first two periods but then Erin/Hillsburgh exploded for an 11-2 win.

The Sabres got goals from Craig Kirkwood and Greg Black with assists going to Sean Nellis and Jason Douthright. In the end they didn't have enough firepower to stay close.

ATOM I TEAM WINS CONSOLATION

In the Erin/Hillsburgh Atom tournament, the Acton team went on to win the consolation final after dropping their opening game to the eventual winner Walkerton.

Acton met Georgetown in the consolation final and had little trouble in downing them 5-2.

Kyle Winters sparked the team with two goals, while Michael Gerrow, Michael Borg and Brett Maines all added singles in the extremely well played victory.

Getting to the finals were not easy. After losing a close one to Walkerton 4-3, Acton then had to take on a tough Oakville team. The game ended up scoreless but by virtue of more shots on net Acton was awarded the victory. Neil Dawkins earned the shut out.

In league action Acton went 2-0 with victories over Arthur 1-0, and Milton 5-1

ATOM II SABRES

The Acton Proplastex Atom II Sabres pushed their unbeaten streak to five games with a win and a tie last week.

The Atom II Sabres defeated Orangeville 4-

1 and they battled Erin to a 2-2 draw.

Tim Pembleton led the Sabres against Orangeville with two goals and an assist, with Jesse Sparkes and Harry Scafer scored the other Sabre goals. In the Erin game it was Paul Iacocca and Sparkes scoring the Acton goals.

ACTON PEE WEE I

The Acton Galvcast PeeWee I hockey team had a successful week winning three of their four games.

They ran off three straight victories before being downed 4-1 by Elora. In their first game Acton pounded Milton 6-2. Adam Lindsay scored two goals for Acton with Andrew Forbes, Matt Wolfer, Mitch Moore and Ryan Weatherall adding singles. Chris Schiller earned his first of two victories on the week.

Game two was a closer affair with Acton downing Erin/Hillsburgh 3-2, on the strong goaltending of Max Schaeffer. Steve Barends opened the scoring followed by two goals from Ben Williams. Sean Kirk picked up two assists in the game while Wolfer earned one.

Acton then downed Orangeville 4-2 for their third straight victory as four different goal scorers contributed. Steve Atkinson, Andrew Forbes, Adam Lindsay and Weatherall all found the back of the net.

BANTAM II

The Bantam II Bruce Hood Travel squad split their games last week as they defeated Georgetown 4-2, while losing the next night 5-2 to Grand Valley.

On Friday in Georgetown, Acton jumped out early scoring four goals in eight minutes and then held on as Georgetown tried to come back in the final two periods. Captain Jason Peart netted two goals and an assist while assistant Jordan Zukowski and newcomer Joey Thompson had the other markers. David Iacocca, Mike Smith and Thompson had the assists as Acton ran its record against Georgetown to 4-0.

On Saturday in Acton, despite the return of Stephen Monaghan and his two assists, Bruce Hood Travel could not capitalize on their chances while Grand Valley did. Only Thompson and Peart found the back of the net while many others missed on breakaways and other scoring chances.

The loss dropped their record to a very strong 11-3-3.
