

Buying jewellery?

If you are planning to give a gift of jewelry this Christmas the most important consideration is to find a reliable jewelry store

with a good reputation. Many consumers are not aware of the details of buying jewels, pearls or gold. Therefore the knowledge of an expert in the field is very important because you rely on their advice.

PARENTS STAND UP FOR EDUCATION PROVINCE-WIDE PROTEST NOVEMBER 27, 1996

Parents all over Ontario will be staging silent vigils, holding rallies, and delivering letters of protest to their MPPs at 10:00 am on November 27.

Parents know these changes are happening too fast and with too little planning. Parents know they have not been consulted. Parents know most of the changes in education are being made just to cut \$1 billion that the government needs to fund its tax cut. And parents know these cuts are affecting the classrooms of their children.

Many of the children across the province have already lost 50% of their special education funding. They've already lost their librarians and their junior kindergartens. Many of them have no music programs left in their schools. Their class sizes have already increased enormously. They're having to walk long distances to catch their school buses.

What more is there to take away?

How much is this government willing to let children suffer?

Dear Mr. Snobelen: Please stop the educational meltdown.

Sincerely,
